

Sri Lanka Surgical Congress 2024 - SLSC 24

Oral Presentation Schedule
Thursday, 12th September 2024

Session	OP Number	Title of Abstract	Presenting Author
Session 01 0800h - 0900h 12.09.2024	OP 07	Endoscopic Ultrasound (EUS)-Guided Biopsy as a Diagnostic Tool in Lymphadenopathy Surrounding the Gastrointestinal Tract: Experience from a Tertiary Care Center	D Senanayake
	OP 08	Role of contrast enhanced magnetic resonance imaging in evaluation of axilla in patients with breast carcinoma: a prospective observational study	Prashant Singh
	OP 09	Development of a locally made simulation arm for training in intravenous cannulation and phlebotomy for medical students	Nadeeja Samarasekera
	OP 10	A Comparative Study Of Perioperative And Quality Of Life Outcomes With Its Ergonomic Characteristics In Midline Totally Extraperitoneal Repair Versus Extended Totally Extraperitoneal Repair In Inguinal Hernia: a report from Indian tertiary care hospital	Awanish Kumar
	OP 11	Outcome between deceased donor kidney transplantation using standard criteria vs. expanded criteria donors, a comparative study: An experience from a single center in Sri Lanka.	C Wickramasekera
	OP 21	Financial Toxicity of Colorectal Carcinoma in Sri Lanka: Preliminary Results	D Senanayake
Session 02 0900h - 1000h 12. 09.2024	OP 12	Comparison of Single vs. Multi-Tract Access for Supine Mini-PCNL for Complex and Staghorn Calculi: An Outcome Analysis	Y M Manikkage
	OP 13	Prognostic significance of lymphovascular invasion in colorectal cancer - a retrospective study at a specialized colorectal cancer center in Sri Lanka	N G P M Nanayakkara
	OP 15	Effectiveness of implementing WHO Surgical safety checklist: study at a leading tertiary care hospital in Sri Lanka	J P Rankothkumbura
	OP 43	Prevalence of surgical site infections and antibiotic resistance pattern in a Tertiary care Orthopaedic unit	Sivakumaran Gobinath
	OP 25	Homodigital Unipedicled Islanded Neurovascular Pulp Advancement Flap/Colombo Flap for Fingertip Reconstruction	J P Rankothkumbura
	OP 49	Knowledge, attitude, practice, available facilities and influencing factors of hand hygiene among doctors and nursing officers in the surgical wards of Teaching hospital, Jaffna	Sivakumaran Gobinath
Session 03 1230h - 1330h 12.09.2024	OP 14	Improving the use of WHO surgical safety checklist in a peripheral surgical unit: An audit	P G N Danushka
	OP 17	Audit of Preoperative Fasting Practices for Elective Surgical Patients in a surgical unit at Colombo North teaching hospital (CNTH)	D P Hettiarachchi
	OP 20	Prevalence of Anxiety, Depression, and Stress in Patients with Colorectal Cancer at a Tertiary care hospital in Sri Lanka	D G Wickramasinghe
	OP 22	Fenestration of pseudosac a newer method of seroma reduction for laproscopic inguinal hernia surgery-a randomized controlled pilot study	Mahendra Iodha
	OP 29	Trends in adenoma detection rate in lower gastrointestinal endoscopy in symptomatic patients undergoing lower alimentary endoscopy	D Doluweera
	OP 33	Diagnostic Accuracy of Digital Rectal Examination Versus High-Resolution Anorectal Manometry in Chronic Constipation and Fecal Incontinence	D G Wickramasinghe
session 04 1430h - 1600h 12.09.2024	OP 24	A Prospective Study to predict the prognosis of chest trauma by utilising Chest Trauma Score (CTS) in adults	Saichand Paruchuri
	OP 27	Factors affecting sensory impairment with bilateral subcostal incision in long term Whipple surgery survivors.	Anuradha Naligama
	OP 30	Prospective review of wild-elephant-attack related trauma victims at a base hospital	Anjana De Silva
	OP 31	Endoscopic ultrasound (EUS) guided diagnosis of pancreatic lesions – Single center Experience in Sri Lanka.	T B G H Wimalasena
	OP 42	Traumatic Hand and Wrist Injuries: Retrospective study delineating injury patterns in a high-volume centre	Avinash Jayasekera
	OP 44	Impact of Pancreatic Enzyme Replacement Therapy (PERT) on Abdominal Pain and Gastrointestinal Symptoms in Pancreatic Insufficiency: A Longitudinal Study	H Dissanayake
	OP 46	Case series: Outcomes of Laparoscopic cholecystectomy without Laparoscopic clips at a Base Hospital in Sri Lanka	B A S P Jayasinghe
	OP 56	Safety Of Simultaneous Laparoscopic Cholecystectomy And Inguinal Hernia Repair: A Systematic Review	D Doluweera
