Guidelines for the Submission of Abstracts

Closing Date for the Submission: Extended to 31st August 2021

1. All abstracts should be submitted online through www.surgeons.lk before 16.00 hours on Tuesday, 31st August 2021. Late entries will not be accepted. Submissions will not be accepted by post / hand or e-mail.
2. The abstracts will be reviewed anonymously by referees. The corresponding author will be informed of the results by e-mail.
3. All abstracts must be submitted according to the instructions provided on the online submission website.
4. Abstracts should not exceed more than 250 words. Those exceeding this limit will be rejected.
6. Abstracts should be in the following format: a) Introduction b) Methods c) Results d) Discussion and conclusions.
7. Names of authors should be entered in the following format: Initials followed by surname (without punctuation) e.g. P R Samaraweera or first name followed by surname e.g. Priyantha Samaraweera
8. Only recognized and commonly used abbreviations / acronyms are acceptable.
9. Tables and graphics should be avoided and included only if absolutely essential to the message conveyed by the abstract. When submitted they should be included as attachments.
10. Abstracts will be published in the supplement of the Sri Lanka Journal of Surgery. The CSSL reserves the right to make minor alterations / editing of text to fit the format
11. If the abstract has been previously presented or published, in whole or in part, this should be stated clearly at submission. This does not disqualify acceptance of the abstract.
12. The Council of the CSSL and the selection Committee has the right to request the authors to submit the data sheets / databases / original images / consent forms etc to confirm the authenticity of the scientific data submitted for the orations.

13. The Council of the CSSL and the selection Committee requests authors to kindly abide by publication ethics especially in the context of avoiding falsification of data, plagiarism, improprieties of authorship, misappropriation of the ideas of others, violation of generally accepted research practices, material failure to comply with legislative and regulatory requirements affecting research.
14. **ORAL PRESENTATIONS:** Parallel sessions may be conducted depending on the number of papers selected. Multimedia facilities will be made available.
15. **POSTER PRESENTATIONS:** Posters will be presented in the electronic format on screens provided at the Sessions.
