# Annual Report 2022

The College of Surgeons of Sri Lanka, after completing a landmark year with its 50<sup>th</sup> Golden Jubilee celebrations in 2021, entered its 51<sup>st</sup> year in 2022 with the goal of achieving excellence in surgical education and practice with compassion.

The theme *Compassionate Surgery* was chosen for the year 2022. Compassion in patient care settings is nuanced and requires cognitive empathy at all levels. Surgeons are compassionate towards their patients during different types of encounters. Moreover, compassion has a broader context; it needs to flow to one's colleagues / peers, all team members, and the community at large. Surgeons are team leaders in clinical settings and hold position in trust for the benefit of patients. Compassionate leadership in patient care settings leads to team satisfaction and better patient outcomes. Compassionate leadership involves attending to, understanding, empathizing with, and helping those surgeons lead. It also requires a clear direction, alignment, and commitment as inclusive leaders.

It was a challenging year and the President, and the Council steered and

completed the year, withstanding detrimental effects on the provision of surgical care by the economic crises faced by the country and the ongoing restrictions of the Covid-19 pandemic.

With the newly developed and renovated infrastructure including the modern auditorium with state-of-the-art IT facilities and the background of economic downturn, it was decided to hold the Annual Sessions of the College – The Sri Lanka Surgical Congress 2022 (SLSC'22) with its traditional features and new innovations at the College premises. This enabled us to save considerable amount of funds for meaningful academic, training, and professional activities.

It was an academically sound year with a record number of pre-congress workshops and new developments such as digitizing the College archives and launching an online surgical bibliography search index. Improvement of the College infrastructure too was achieved including the installation of an off grid powered electrical back up system.

# PRESIDENTIAL INDUCTION

Presidential Induction was held at the Noel & Nora Bartholomeusz Foundation on 8<sup>th</sup> January 2022. This was the first such event held at the newly renovated College premises. The whole event was a moment to remember since the event was attended by generations of surgeons from all over the country after a long pause. Dr Satish K Goonesinghe was inducted as the 40<sup>th</sup> President of the College by Professor

Srinath Chandrasekera, the Immediate past President. Professor Mohan De Silva was the Chief Guest and Professor Ranil Fernando, and Dr Narendra Pinto were the Guests of Honour at the event. The gathering experienced the modern digital platform of the College and its excellent features comparable with conference venues in Colombo.

## ANNUAL GENERAL MEETING

The Annual General Meeting 2022 was held on 25th March 2022. Dr Satish Goonesinghe welcomed all attendees and made the opening remarks and read the notice of the Annual General Meeting 2021 and called the meeting to order. Dr. Ranga Wickramarachchi presented the secretary's report, highlighting the events of the landmark year celebrating its golden jubilee which was followed by Dr. Rezni Caseem, presenting the

treasurer's report for the year 2021. Prof A H M Sherrifdeen proposed to add obituaries to the agenda to remember members who have died during the particular year and the proposal was duly accepted. There were no new resolutions or announcements, and the auditors were re-appointed.

## ACADEMIC & TRAINING ACTIVITIES

Academic activities of the College were continued uninterrupted adjusting to major problems faced by the country – the economic crisis and the Covid pandemic. National Trauma Management Course (NTMC) and the Advanced Trauma Life Support (ATLS) course were held with the physical participation of both resource persons and attendees while the Online Teaching

for Surgical Trainees (OTST) and the Surg-Ahead programme were fully virtual. The Sri Lanka Surgical Congress 2022, the key event of the academic calendar of the College was successfully held at the Noel and Nora Bartholomeusz Foundation (NNBF) Premises with a range of new features from 23<sup>rd</sup> to 26<sup>th</sup> November 2022.

### 1. Online Teaching for Surgical Trainees (OTST)

This was popular among the Surgical trainees and a variety of topics were covered in an interactive manner. Dr Gayan Ekanayake's committed coordination of the programme was one of the key factors for its success.

Month	Date	Topic	Lecturer
February	19th	Surgical Diagnosis, Investigations and Treatment - Fundamentals & Hand Infections	Dr Gayan Ekanayake
March	12th	Primary care in Minor Injuries by Dr Imali Perera & Examination of a Lump	Dr Rukman Sanjeewa
	26th	Examination of Injured hand	Dr Kolitha Karunadasa
April	10th	Update on CBD Disease	Dr Rasika Hendaheewa
	30th	Management of Colorectal Cancer	Dr Neil Jayasuriya
May	08th	Evidence-based management of Ventral Hernia	Dr Dakshitha Wickramasinghe
July	2nd	Case Based Discussion on Diverticular Disease	Dr Wasantha Wijenayake
	16th	Surgical access, incision & closure	Dr Nadeeja Samarasekara
August	20th	Large bowel Obstruction	Dr Eranda Karunadasa
October	01st	Necrotizing Fasciitis	Dr Mohan Dias
	16th	Gastric Cancer	Dr M N M Nuzair

## 2. The Surgical Education and Training Sessions (SETS)

**S**ETS which was converted to Online Teaching for Surgical Trainees (OTST) during the Covid pandemic had been recommenced since June 2022 (in addition to continuation of OTST as a separate teaching session).

Number of sessions covering wide range of surgical topics were conducted at the Auditorium of the College of Surgeons, with the physical participation of the resource persons, moderators, and trainees. This was live transmitted to National Hospital Kandy, Teaching Hospital Peradeniya, Teaching Hospital Jaffna, Teaching Hospital Karapitiya, Teaching Hospital Anuradhapura, and Teaching Hospital Batticaloa facilitating trainees and resource persons from the respective regional centres to join virtually. These sessions were high in demand, was proved by higher number

of trainee participation and were held successfully.

The format used was mini lectures, case based discussions and Q&A sessions giving the maximum opportunity for trainees to update their knowledge and clarify any doubts while maintaining their enthusiasm throughout each session. Active participation of trainees was ensured by moderators physically available in Colombo as well as in regional centres. In addition to contribution by Specialist Surgeons as resource persons, contribution by other non-surgical specialists such as Radiologists, and Oncologists should be highly appreciated.

SETS programme was coordinated by Dr Ranga E Wickramarachchi.

	Date	Subject area/ Surgical topic covered
1	04 <sup>th</sup> June	LUTS, BPH, urinary retention and Prostate cancer
2	25 <sup>th</sup> June	Malignant breast disease- evaluation and management
3	27 <sup>th</sup> August	Colorectal cancer and Proctology
4	22 <sup>nd</sup> October	Critical limb ischaemia

### 3. The *Surg-Ahead* Programme

The *Surg-Ahead* programme was introduced in 2020 replacing the monthly College symposia with the primary objective of promoting continuous professional development among Sri Lankan surgeons to provide an up-to-date knowledge on common topics

relevant to surgical practice. The participation for this programme was restricted to the membership of the College. The *Surg-Ahead* team this year included Professor Rezni Cassim, and Dr Dakshitha Wickramasinghe.

Date	Topic	Speaker	Moderator
10th March	Volume 1 Management of thoracic trauma	Dr Dhammike Rasnayake	Professor S Sivaganesh
31st August	Volume 2 Management of a patient with an intercostal tube	Dr Dhammike Rasnayake

## 4. The ERPM (The Examination to Practise Medicine) Preparatory Course

The College organized an ERPM preparatory course with a mock exam at Sri Jayewardenepura General Hospital on 24th March 2022. This was coordinated by Dr Rohan Sirisena and Dr Amila Jayasekara, with 17 participants.

## 5. The Pre-Intern Training Programme

The Ministry of Health and the College organized a one-day pre-intern program similar to that held in 2021. This programme to give a practical insight on surgery to the new intern medical officers. Several senior distinguished surgeons gave valuable inputs at the course. The topics included how to get the best out of six-month surgical appointment. This was attended by more than 800 junior doctors. This program has an immense potential to refresh new doctors who will be looking after surgical patients as their primary contact doctor, across the country. The Ministry has conveyed that they were

happy with the College program that ran for more than eight hours, despite the busy work schedules of our members.

	Topic	Speaker
1	Introduction to Surgical Internship	Professor Mohan de Silva
2	Routine work for surgical intern	Professor Aloka Pathirana
3	Administration of a Surgical ward / theatre	Dr Mahanama Gunasekara
4	Pre op work up for surgical patient	Professor Ranil Fernando
5	Acute abdomen and scrotum	Dr Nissanka Jayawardhana
6	Acute urinary retention and ureteric colics	Professor Srinath Chandrasekera
7	Trauma and critically injured patient	Dr Kirthi Abayajeewa
8	General surgical ward care for Orthopaedic patient	Dr Narendra Pinto
9	Bleeding patient in the ward	Dr Duminda Ariyaratne
10	Septic surgical patient	Dr Mahinda Mallawatantri
11	Managing death in surgical wards	Dr Channa Perera
12	Head injury patient in general surgical ward	Dr Nirukshan Jayaweera
13	Post op care plan for surgical patient	Professor Bawantha Gamage
14	Limb ischemia	Dr Rezni Cassim
15	Patient needing transport / transfer	Dr Mihira Bandara
16	Wound care and burns	Dr Gayan Ekanayake

## 6. The Post-Intern Training Programme

This programme was planned to improve the quality of surgical services offered by post-intern doctors. It was both a revision of surgical knowledge for those who have done surgery in their respective internship appointments, and a knowledge / skill lifeline for those who have not done a surgical appointment. The lectures were designed to make attendees competent as primary care givers in surgery. We focused more on practical aspects of

being a surgical post-intern who would serve in different parts of the country. Moreover, the College hope that this programme will stimulate passion for surgery among them. Especially the role of women in surgery was highlighted by the female surgeons who gave their intellectual support for the programme. The questions raised by the post-intern doctors showed much enthusiasm.

	Topic	Lecturer
1	Introduction	Dr Gayan Ekanayake
2	Hand Injuries	Dr Kolitha Karunadasa
3	Minor injuries at primary care level	Dr Imali Perera
4	Minor surgery at Primary care level	Dr Mahanama Gunasekara
5	Limb fractures	Dr Shivantha Fernandopulle
6	Head injury	Dr Sanjeewa Garusinghe
7	LUTS and heamaturia	Dr Nishantha Liyanapathirana
8	Breast complains and Thyroid	Professor Sanjeewa Senevirathne
9	Surgical abdomen	Dr Nissanka Jayawardhana
10	Vascular injury at primary care	Dr Nalaka Gunawansa
11	Burn wound care	Dr Gayan Ekanayake

## 7. The Senior House Officer (SHO) Training Programme

The Council decided to initiate and conduct regular training programmes for surgical SHOs, (Senior House Officers) especially for those in regional hospitals. SHOs form a vital group of medical officers who provide surgical services in addition to postgraduate trainees.

The Medical Services Division of the Ministry of Health has provided funding for this project (Rs One million) On 16th December 2022, the inaugural training session was conducted at Teaching Hospital Kurunegala with inputs from several Consultant Surgeons belonging to different surgical subspecialties. 27 Surgical SHOs from the North Western Province participated in this training,

which included introductory lectures and animal model based hands on training in skin suturing, bowel/vascular anastomoses, tendon repair and abdominal wall closure. The course also included guidance on transfer procedure etc.

Drs. Roshan Dassenaik, Gayan Ekanayake, Sohan Perera, Selvaganesh, Rasika Bulathsinghela, Dhammike Sirisena, Buddhima Jayawickrema and Randima Nanayakkara organised and successfully conducted this training programme. It is planned to hold this course in all regions of the country. It is coordinated by Dr Randima Nanayakkara.

## 8. Workshops & Webinars

The College was involved in organizing many workshops and webinars this year, in association with the other specialties and societies, throughout the country with a wide participation. They were organized and held with a background of the fuel shortage /restrictions and economic constraints. Some of these workshops were organized by specialty associations.

Workshops on **Essential Skills of Surgical Professionalism** were initiated in 2022 by Dr Jayindra

Fernando and the first workshop was held in Kandy in October 2022 and a second one was held as a pre-congress workshop in November. The focus was beyond surgical skills considering communication, documentation etc. This will be included as a part of the regular training courses of the college in future.

**Annual Sessions of the Sri Lanka Spinal Cord Network (SLSCoN)** [Affiliated to the SAARC SCS] were held on 22nd November 2022 at the CSSL premises.

Month	Date	Event	Venue	Cordinator
February	22nd	Emergency Sonography for Trauma Care (ESTC)	NHSL Accident Service, Neurotrauma Auditorium	Dr Mihira Bandara
March	6th	Webinar on Practical aspects of energy devices in Laparoscopy	Online / Zoom	Sri Lanka Association of Minimal Access and Digital Surgeons (SLAMADS)
April	31st - May 01st	Basic Laparoscopic Skills Workshop For Surgical Trainees	Skills Lab, The College of Surgeons of Sri Lanka	Sri Lanka Association of Minimal Access and Digital Surgeons (SLAMADS)
June	30th	Emergency Management of Burns	Teaching Hospital Rathnapura	Association of Plastic Surgeons of Sri Lanka
August	12th	Oncoplastic Breast Surgical Techniques - Which one to choose??	Online / Zoom	Sri Lanka Association of Surgical Oncologists
September	29th	Trauma Life support on Basic Principles	Army Hospital	Dr Kirthi Abayajeewa
October	15th	Essential Skills of Surgical Professionalism	Kandy	Dr Jayindra Fernando
December	09th & 10th	10th SLSCoN Session	CSSL	Dr Narendra Pinto

## 9. PGIM Accredited Trauma Courses

### 9.1 The National Trauma Management Course (NTMC)

**T**hirteen years have passed since the commencement of the NTMC in Sri Lanka in 2009, starting with the training of 10 faculty members being trained in Ahmadabad, in India in 2008. The College has managed to conduct 53 courses during this 13-year period.

2022 has been a remarkable year for us, as we managed to hold 8 courses since January and providing training to 445 doctors. Two of the eight courses were held in the regions – in Kuliyaipitiya and Kandy, with excellent participation.

All these courses were planned and coordinated by Dr Kamal Jayasuriya, Director, NTMC programme. Dr Jayasuriya was appointed as the director of the programme in September 2020 at

the 43rd NTMC course. He is an IATSIC member, fellow and the Sri Lanka National Delegate of ISS and a member of the international faculty of DSTC.

The course fee has been increased to Rs 10,000/per head due to the high inflation rate.

The PGIM has recognized the NTMC as a compulsory training course for six of its postgraduate programmes: surgery, anaesthesiology, intensive care, military medicine, emergency, disaster management.

Currently there is a high demand for this course, as more doctors are leaving for overseas positions.

## *The Felicitation Ceremony of the National Trauma Management Course (NTMC)*

The College held a Felicitation Ceremony to mark the 50th NTMC programme on 1st April 2022. The Keynote address titled “Trauma Education in Sri Lanka” was delivered by Dr Ranjith Ellawala the Global Chair NTMC and all faculty members who had contributed were recognized and felicitated. Dr Ellawala, was specially felicitated for initiating, planning, commencing and running the NTMC in Sri Lanka.

Professor Kenneth Boffard and Dr Manjul Joshipura were the foreign faculty for the first course. For the 2nd NTMC course, Dr Andrew Baker and Dr Liesl Baker from South Africa helped as the foreign faculty. Since then, we managed the program with the local faculty.

Messages of felicitation were received from Professor Boffard and Dr Joshipura for this special event.

## 9.2. The Advanced Trauma Life Support (ATLS®) Course

**A**dvanced Trauma Life Support (ATLS®) Sri Lanka is an internationally accredited trauma course conducted by the College of Surgeons of Sri Lanka in collaboration with the American College of Surgeons. In 2022 five ATLS provider courses were conducted with 75 participants successfully completing the course. There is a rising demand for ATLS® with currently over 350 registrants in the waitinglist.

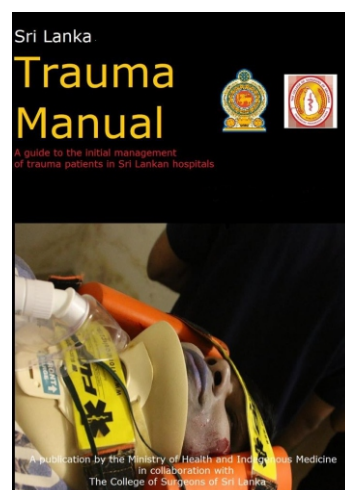

The ATLS® team has also conducted several trauma courses and awareness programmes at hospitals in the regions primarily targeting first contact doctors managing trauma victims.

Compilation of the “National Trauma Manual” which was a long-standing requirement in the country was another milestone achieved by the ATLS team in 2022. Currently this manual is in the process of publication by the Ministry of

Health.

Currently the ATLS®-Sri Lanka team consists of sixteen instructors headed by the country chair Dr Kirthi Abayajeewa.

Four ATLS® provider courses are planned to be held in 2023 in April, July, October, and December. Furthermore, an ATLS® instructor programme is planned to be conducted in 2023 as well. So far, the programme has attracted many local and overseas applicants from different specialities including surgery, anaesthesiology, emergency medicine and critical care.

## 10. Other Trauma Courses

### 10.1. The Decision Making in Major Trauma (DMMT) Course

The Advanced trauma course, Decision Making in Major Trauma (DMMT) was conducted successfully for the second time this year with 42 participants. Although more courses were planned for 2022, local crisis factors for not conducive.

This was held from 12th January 2023 for 3 consecutive days. A cadaveric module was introduced for the first time this year with 10 participants.

### 10.2. The Initial Trauma Care for Nurses (ITCN) Course

Initial Trauma Care for Nurses (ITCN) is the trauma training course conducted by the College with the help of NTMC faculty. Twenty-two courses have been completed and nearly 1000 nurses have already been trained for trauma care.

officers. These were held with a background of local economic and fuel restrictions.

Five ITCN courses were held in 2022 with the participation of a total of 382 nursing

# SPECIALTY EXIT EXAMINATIONS FOR SURGEONS

A new role for the College of Surgeons of Sri Lanka, in professional assessment / examinations was initiated in 2021 with the facilitation of the Royal College of Physicians and Surgeons of Glasgow (RCPSG).

The College held the first pilot Specialty Exit Examination in urological surgery in 2023. This initiative was led by Professor Srinath Chandrasekera (Chairman, Examinations Sub-committee) with examiner inputs from the Sri Lanka Association of Urological Surgeons. The Theory component of the new examination was held in December 2021 and structured viva voce component was held in March 2022. Initially online examiner training sessions were held by the RCPSG. All components of the examination process was observed and assessed by the RCPSG. Thirteen candidates passed this first examination, and they were awarded the Certificate of Specialist Training in Urology (*CSTUrol*)

by the College of Surgeons of Sri Lanka. In recognition of the high standards maintained in the local examination process, the RCPSG will award the Fellowship of their College (*FRCPStGlas*) without examination for all candidates with the *CSTUrol*(*CSSL*).

The key role played by Mr Mike McKirdy, President RCPSG, Professor David Richens and Professor Abhay Rane in the entire examination process needs to be acknowledged. A second *CSTUrol* examination diet is being planned to be held in mid-2023. Exit examinations in general surgery and orthopaedics are being planned to be held in the future and later expansion to cover other surgical specialties as well.

The *Sri Lanka Surgical Congress* is the most important academic event in the annual calendar of the College of Surgeons of Sri Lanka. After an eventful year of with impending socio-economic crises and restrictions, the surgeons from all over the country as well as from abroad came together to celebrate an academic event that was unparalleled, utilizing the College premises to its fullest.

With “*Compassionate Surgery*” as the theme (as detailed in the Introduction to this report), the 2022 Surgical Congress strived to highlight the value of compassionate surgical leadership in varied Congress components and with specific lectures on medical humanities.

The *Sri Lanka Surgical Congress 2022* was held from 24<sup>th</sup> to 26<sup>th</sup> November 2022, at the Noel and Nora Bartholomeusz Foundation in collaboration with the Royal College of Surgeons of Edinburgh and the SAARC Surgical Care Society.

In addition to the traditional plenary lectures and symposia, an array of exciting small-group academic activities such as historical talks, book reviews, surgical masterclasses and meet-the-expert sessions over breakfast were organized as well as a record number of 16 pre-and post-congress workshops.

## 2. Inauguration Ceremony

The Ceremonial Inauguration of the Sri Lanka Surgical Congress 2022 was held in the evening of 23rd of November 2022 at the Auditorium of the Noel and Nora Batholomeusz Foundation. The Chief Guest of the event was Professor Christopher R Chapple, Secretary General, the European Association of Urology. The Guests of Honour were Professor Rowan W Parks; President, The Royal College of Surgeons of Edinburgh, Professor M D Lamawansa, President, The SAARC Surgical Care Society, Professor Abhay Rane, Vice President, The Royal College of Physicians and Surgeons of Glasgow and Professor Rohan Jayasekara; Emeritus Professor of Anatomy, University of Colombo.

The Prime Minister of Bhutan, Dr Lotay Tshering, who is a urological surgeon himself, joined and addressed the event virtually. He focused on issues facing

health care in Bhutan and the key role that has to be played by politicians and policy makers in the provision of excellent surgical care to the population. His virtual presence added colour and value to the Inauguration Ceremony.

Honorary Fellowships of the College were awarded to Professor Srinath Chandrasekara (Immediate Past President of the College), Professor Christopher R Chapple, Professor Rowan W Parks, Professor Abhay Rane, Dr G Siddesh (President, The Association of Surgeons of India), Professor Sunil Kumar Sharma (President, The Society of Surgeons of Nepal), Professor Jayantha Ariyaratne, Professor in Surgery and Deputy Vice Chancellor of the Sir John Kotelawala Defence University, Dr S S Jayaratne, Senior Consultant General Surgeon.

### 3. Awards

The following awards were distributed at the event:

**Professor M V P Pieris Award** for the best performer in surgery at the Final MBBS examination year of intake 2014/2015

Dr G W A S S Jayasooriya  
Dr H G P Premarathne

**Dr M H De Zoysa Award** for the best performer in the theory component of the MD Surgery (Part 2) examination November/December 2021

Dr Umesh Jayarajah  
March 2022  
Dr H M K B Herath

**Dr P R Anthonis Research Award** for the two best publications in peer reviewed journals authored by Sri Lankan surgical trainees in the previous calendar year

Dr Umesh Jayarajah  
Clinical characteristics, and outcome of genitourinary tuberculosis in Sri Lanka: an observational study. BMC Infect Dis. 2021 Dec 27;21(1):1279

## 4. Scientific Programme

### 4.1. Research Papers

A total of 104 research papers were presented at the Congress – 29 oral presentations and 75 poster presentations (moderated posters). The oral presentations sessions took place on 18th November as a stand-alone session. The best six oral presentations selected during the initial evaluation were presented at a special session on 25th November, during the main Congress. Abstracts of all presentations were published in a special supplement of the Sri Lanka Journal of Surgery.

The following awards were awarded at the Closing Ceremony held on the 26th November 2022.

#### **Dr Bartholomeusz Prize - Best Oral Presentation**

*Immediate outcome of microwave ablation for liver tumours in a single cohort of patients in Sri Lanka.*

**Hirusha Gunawardena**, Chinthaka Appuhamy, Anuradha Dassanayake, Bhagya Gunathilake, Eranga Ganewatte, Madunil Niriella, Rohan Siriwardana, Suchintha Tillakaratne  
Colombo North Center for Liver Disease, Faculty of Medicine, University of Kelaniya, Sri Lanka

#### **Dr S A Ediriweera Award for the Best paper on trauma**

*Study on demography of neurotrauma related admissions to a single neurosurgical unit of a tertiary referral center*

**YMKA Yapa**, B Prashanthan, D K Aththanayake, G M A D Perera, P G J D B Karunarathna, R Jayathilake  
National Hospital, Colombo

#### **Best Paper on HPB Surgery**

*Immediate outcome of microwave ablation for liver tumours in a single cohort of patients in Sri Lanka*

**Hirusha Gunawardena**, Chinthaka Appuhamy, Anuradha Dassanayake, Bhagya Gunathilake, Eranga Ganewatte, Madunil Niriella, Rohan Siriwardana, Suchintha Tillakaratne  
Colombo North Center for Liver Disease, Faculty of Medicine, University of Kelaniya, Sri Lanka

#### **Best Poster Presentation**

*Low Vitamin D Level and Subclinical Hypocalcaemia Leading to Low Prevalence of Hypocalcaemic Symptoms and Signs in Patient Undergoing Total Thyroidectomy in Sri Lanka*

**E A D L S Udayakumara**, L S K P Maduranga  
E A D Udayakumara, L S Chathuranga, Malinga Gunarathna, P T Dahanayake, Parackrama Karunathilake, Prabath Madhuwantha, R Dhanushkar, S G Weerasinghe  
National Hospital Kandy

#### **Special award from Royal College of Surgeons of Edinburgh**

*Is brief psychological intervention effective in reducing psychological distress among cancer patients? A randomized controlled trial in a tertiary care hospital, Sri Lanka*

**P S Alles**, A M A D K Alagiyawanna, A Pathirana, G M D Kariyawasam  
University of Sri Jayewardenepura /CSTH

## 4.2. Plenary Lectures

The following plenary lectures were delivered at the Congress:

*Assessment of resectability of liver metastases*

**Mr Stephen W Fenwick (UK)**

*Approach to pancreatic cysts*

**Dr Shyam Varadarajulu (USA)**

*What's new in retroperitoneal sarcoma management*

**Professor David Gyorki (Australia)**

*Talking to cancer patients. Do not promise what you cannot deliver*

**Professor Mike Griffin (UK)**

*Tissue engineering: current progress and future concepts*

**Professor Christopher Chapple (UK)**

*Compassionate surgery - Surgical Training Program - are we on the right path?*

**Professor Aloka Pathirana (Sri Lanka)**

*The Dysfunctional Surgeon*

**Professor David Richens (UK)**

*Current topics in Trauma surgery*

**Professor Sharmila Dissanaïke (USA)**

*Leading with compassion*

**Professor Jackie Taylor (UK)**

*Can surgery really be compassionate?*

**Professor Abhay Rane (UK)**

*Considerations in Setting Up a Robotic Surgical Service*

**Professor Rowan Parks (UK)**

*The tenderest cut: Humanities and the Surgeon*

**Professor Arosha Dissanayake (Sri Lanka, President CCP)**

*Diabetic foot disease and limb salvage*  
**Professor David G Armstrong (USA)**

*Surgeon's role in the management of rectal cancer- what is new?*

**Professor Surendra Kumar Mantoo (Singapore)**

*A-Z of intercostal tubes*

**Dr Saman Iddagoda (Sri Lanka)**

*Role of laparoscopy in management of rectal prolapse*

**Professor Jim Khan (UK)**

*Clinical decision making in contemporary surgery using a cancer model*

**Dr Kanishka De Silva (Sri Lanka)**

## 4.3. Symposia

The following symposia were held at the Sri Lanka Surgical Congress 2022:

- Case based discussion on the management of breast cancers
- Proximal femoral fractures in the elderly
- Robotic Surgery
- Women in Surgery
- Breast aesthetic surgery
- Surgery during difficult times
- Vascular trauma
- Anal fistula surgery - the conundrum in colo-rectal surgery
- SAARC Symposium
- Case Based Discussion - Paediatrics
- Maximum through minimum
- Urolithiasis - Best of care '22\*
- Spinal injury overview and management strategies for general Surgeons
- Contentious issues in thyroidectomy – Expert Views (Pearls of wisdom)
- Hilar Cholangio Carcinoma - Case based discussion

## 4.4. Meet-the-Expert Sessions

Continuing a Congress feature that commenced in 2019, informal early morning small group

discussions were held between experts and small groups of participants (surgeons and trainees).

The topics discussed at these meetings were,

1. *Case based discussion on management of salivary gland neoplasms*

**Dr Dileepa Mahaliyana**

2. *Neo-adjuvant therapy in breast cancer: What's new?*

**Dr Nuradh Joseph  
Dr Kusal de Silva**

3. *Varicose veins - Deciding on the best treatment option*

**Professor Mandika Wijeyaratne  
Dr Nalaka Gunawansa  
Dr Daminda Rajamanthri**

4. *Approach to GORD and Surgery*

**Dr Chathuranga Keppetiyagama  
Dr Sanjiv Samaranayake**

5. *Techniques of pancreatico-jejunostomy*

**Dr Suchintha Thilakaratne  
Dr Buddhika Dassanayake**

6. *Micro-surgical reconstruction of breast*

**Dr Raja Shanmuga Krishnan**

7. *Hilar Dissection in Major hepatectomy*

**Dr Duminda Subasinghe  
Dr Prabath Kumarasinghe**

8. *New concepts in management of the surgical thyroid*

**Dr Lalantha Ranasinghe**

9. *Planning incisions and volumes in Onco-plastic breast surgery*

**Dr Ajith de Silva  
Dr Kanchana Wijesinghe  
Dr Ramprasad Ramanathan**

10. *Pilonidal disease*

**Dr Sumudu Kumarage  
Dr Wasantha Wijenayake**

## 4.5. Orations

Three orations were delivered at the *SLSC 2022*.

**Sir A M De Silva Oration 2022** was delivered by Professor Ranil Fernando, Dean, Faculty of Medicine, University of Moratuwa, Former Senior Professor of Surgery, Faculty of Medicine University of Kelaniya on “*Trails, Tribulations’ and the emergence of total thyroidectomy - A Sri Lankan perspective*” on 24<sup>th</sup> November 2022.

**SAARC Oration 2022** was delivered by Dr T G Amal Priyantha, Consultant Gastrointestinal Surgeon, *Colombo South*

*Teaching Hospital on “Laparoscopic surgery for Colorectal cancer; need for a benchmark”* on 25<sup>th</sup> November 2022.

**Dr Noel Bartholomeusz Memorial Oration 2022** was delivered by Col (Dr) Amila Ratnayake, Consultant General Surgeon, Army Hospital, Colombo, Adjunct Associate Professor, Uniform Service University of Health Sciences, USA on “*A preliminary examination of Global military and civilian trauma system integration*” on 26<sup>th</sup> November 2022.

## 4.6. Masterclasses

Focused masterclasses on specific surgical topics were conducted by experts during the Congress at the Congress venue. This novel feature

initiated at the SLSC 22 drew an excellent response from Congress delegates with early registrations.

	Date	Topic	Speakers
<b>Master Class 01</b>	24th November	HPB surgery MDT	Professor Rohan Siriwardana Professor S Sivaganesh Dr Nuradh Joseph Dr Nilesh Fernandopulle Dr Eranga Ganewatta
<b>Master Class 02</b>	25th November	Urethral Surgery in the male and female	Professor Christopher R Chapple
<b>Master Class 03</b>	25th November	Paediatric Urology	Dr Udayangani Samarakkody Dr Romesh Gunasekera
<b>Master Class 04</b>	26th November	Cleft Lip & Palate	Dr Gayan Ekanayake Dr Pragash Shanmuganathan Dr Arunajith Amarasinghe

## 4.7. Historical & Literary Sessions

These presentations were planned to display the varied interests of surgeons / clinicians and to focus delegates on matters beyond surgery. This novel Congress feature was held in the Council Room during the lunch break. These talks were well attended with an excellent response. The talks focused on history/archaeology, literature and art.

**24<sup>th</sup> November 2022:** *The Ancient Hospital Complex of the Alahāna Pirivena:* Professor Arjuna Aluwihare, Emeritus Professor of Surgery, University of Peradeniya; Past President, The College of Surgeons of Sri Lanka

**25<sup>th</sup> November 2022:** *Crossmatch; The Novel;* Dr Carmel Miranda Consultant Anaesthesiologist, Lanka Hospital Colombo; Winner of the Gratiaen Prize for Creative Writing in English (2020), one of the most prestigious literary awards in Sri Lanka for her debut novel *Crossmatch*.

**26<sup>th</sup> November 2022:** *My Art Through Time:* Dr Jayindra Fernando, Consultant Surgeon, Lanka Hospital, Colombo; Past President, The College of Surgeons of Sri Lanka

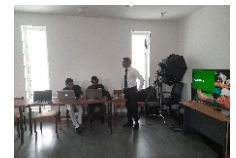

## 5. Pre-congress & Post-congress Workshops

Fifteen workshops were held covering varied areas and surgical disciplines in the run up to the SLSC' 22. The last (16th) workshop was

held as a post-Congress event. Workshop venues covered different areas of the island including Colombo, Kandy, Peradeniya etc.

	Date	Topic	Co-ordinator	Venue
Pre-Congress Workshops	08th September	Masterclass in Minimal Access Thoracic Surgery	Dr Sumana Handagala	Online Zoom / NHRD Welisara
	06th October	Severe Burns Emergency Management Course	Dr Gayan Ekanayake	CSSL Auditorium
	02nd November	Emergency Sonography for Trauma Care (ESTC)	Dr Mihira Bandara	Neurotrauma Auditorium, NHSL
	03rd November	Initial Trauma Care for Nurses (ITCN)	Dr Hasantha Thambawita	Neurotrauma Auditorium, NHSL
	03rd - 04th November	National Trauma Management Course (NTMC)	Dr Kamal Jayasuriya	CSSL Auditorium
	05th November	Hand Surgery	Dr Pravin Wijesinghe	CSSL Auditorium
	06th November	Live Surgery Workshop	Professor Kalpesh Jani Professor Arinda Dharmapala Dr Keshara Ratnatunga	Online Zoom
	10th November	Medical Photography	Dr Yasas Abeywickrama	Online Zoom / CSSL Auditorium
	11th November	Essential Skills of Surgical Professionalism	Dr Jayindra Fernando	CSSL Auditorium
	12th November	Cervical Block Dissection	Dr Sandani Wijerathne	Razavi Auditorium, Apeksha Hospital
	15th November	Live Laparoscopic Workshop & Panel Discussion	Dr Chathuranga Keppetiyagama	NH Kandy
	18th November	Multi Organ Retrieval Master Class	Professor Arinda Dharmapala	Dept of Surgery, Faculty of Medicine, University of Peradeniya
	19th November	Soft Tissue Trauma	Dr Pragash Shanmuganathan	CSSL Auditorium
	19th November	Bladder and Ureteric Injury	Professor Srinath Chandrasekera	USJP Medical faculty skills lab
	Post-Congress Workshop	21st November	Case based discussion on Organ transplantation- the surgical perspective	Dr Aruna Weerasuriya
29th November		Skills Training in Trauma Nurses	Dr Mihira Bandara	Neurotrauma Auditorium, NHSL

**Sri Lanka Surgical Congress 2022**  
The College of Surgeons of Sri Lanka

**Masterclass in Minimal Access Thoracic Surgery**

Pre Congress Workshop in collaboration with Association of Cardiothoracic and Thoracic Surgeons of Sri Lanka & Sri Lanka Association of Minimal Access and Digital Surgeons

**Live Surgery with Dr Diego Gonzalez Rivas**

**Thursday 08<sup>th</sup> September 2022**  
at  
**The National Hospital for Respiratory Diseases, Welisara, Sri Lanka**

Registration: 1000/-  
Trainers: 2000/-  
Consultants: 5000/-  
Foreign Participants: USD30

Registration Fee: Rs. 2000/-  
Trainers: Rs. 2000/-  
Consultants: Rs. 5000/-  
Foreign Participants: USD30

Registration deadline: 08 September 2022  
Physical participation will be limited to 40

13 CME Points awarded

**SLSC '22**  
**Sri Lanka Surgical Congress 2022**  
The College of Surgeons of Sri Lanka  
PRE CONGRESS WORKSHOP

**SEVERE BURNS**  
Subspecialty: Burn and Plastic Surgery

**06<sup>th</sup> October 2022**  
at  
**The College of Surgeons of Sri Lanka**  
8.00 am onwards

Course fee: Rs. 3,000/-  
Limited to: 20 participants  
Register now at: [www.surgeons.lk](http://www.surgeons.lk)

Organized by: Sri Lanka Association of Plastic, Reconstructive and Aesthetic Surgeons

**A course on Emergency Sonography for Trauma Care (ESTC)**  
Organized by The College of Surgeons of Sri Lanka in collaboration with the Accident and Orthopedic Trauma unit - NHSL

**02nd November 2022**  
8.00 am to 5.00 pm  
Venue: NRSU, Accident Service  
New Trauma Auditorium

**Participants:** Any Doctor who is involved in acute trauma care (limited to 20 participants only)

**Co-ordinators:** Dr. M. Jayasinghe, Dr. P. Rajasinghe

**Faculty:** Dr. H. Jayasinghe, Dr. M. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe

**Basic Course:** FAST + FAST, Vascular access, Vessel Assessment

**Advanced Course:** Cardiac - Review of basics, Aortic aneurysm/dissection, Transcatheter, Right heart strain/PE, Systemic function / hemodynamic assessment

**Post-course:** Thoracic scanning, Effusions, Consolidations, PTX, CIP

**Resuscitation:** Protocol for evaluating undifferentiated hypotension

**October Session:** Basic Course: Rs. 3000/-, Advanced Course: Rs. 6000/- (including basic course)

**iatsi c** **55<sup>th</sup> NATIONAL TRAUMA MANAGEMENT COURSE**  
November 2022

**Sri Lanka Surgical Congress 2022**  
Pre Congress Workshop **SLSC '22**  
Organized by The College of Surgeons of Sri Lanka

A two-day course on initial management of trauma  
Developed by International Association for Trauma Surgery and Intensive Care (IATSI-C)  
Useful for surgeons, anaesthetists and all doctors  
Compulsory for the trainees of Surgery, Anaesthesiology, Diploma of Disaster Management, Military Medicine, Diploma of Intensive Care

**Course format:** Lectures, Skills, Injury Simulations - Case Scenarios, Discussion, Pre and Post course assessment

**Date - 03<sup>rd</sup> & 04<sup>th</sup> November 2022**  
Venue - The College of Surgeons of Sri Lanka, Auditorium 6, Independence Avenue, Colombo 7

Apply online now at [www.surgeons.lk](http://www.surgeons.lk)

**Sri Lanka Surgical Congress 2022**  
The College of Surgeons of Sri Lanka  
Pre Congress Workshop **SLSC '22**

**Initial Trauma Care for Nurses (ITCN)**  
November 2022

One day training in initial trauma management for Nurses  
The course consists of lectures, discussions, skills training & demonstrations  
Trained by Consultant Surgeons & Consultant Anaesthetists

**On 03<sup>rd</sup> November 2022**  
at the Neuro Trauma Auditorium,  
National Hospital Sri Lanka,  
Colombo

Course Fee: Rs. 1000/- Limited to 80 Participants

**SLSC '22** **Sri Lanka Surgical Congress 2022**  
Pre Congress-Workshop

**Clinical Photography**  
Keep it Simple yet effective

1. Sound clinical photographs - an urgent need  
2. Consent, ethics, and liability management  
3. An introduction to photography in digital era  
4. Lighting in clinical context  
5. Digital asset management  
6. Practical demonstrations

**Date:** 10.11.2022  
**Time:** 9:00 am onwards  
**Venue:** College of Surgeons Auditorium  
**Coordinator:** Dr. Yasa Abevickrama

Registration: [www.surgeons.lk](http://www.surgeons.lk)  
Rs. 3,000/=

**Sri Lanka Surgical Congress 2022**  
The College of Surgeons of Sri Lanka  
Pre Congress Workshop **SLSC '22**

**Essential Skills of Surgical Professionalism**  
"Be the surgical leader you deserve to be"

**Course Outline:** Safe Documentation, Effective communication, Emotional intelligence, Decision making, Time Management, Leadership

**Target Audiences:** Senior registrars, Registrars, Senior Surgeons, House officers

**Friday 11<sup>th</sup> November 2022**  
from 8:00 am onwards  
at  
**Auditorium, The College of Surgeons of Sri Lanka**  
6, Independence Avenue, Colombo 7

Registration Fee: Rs. 1000/-

**SLSC '22** **Sri Lanka Surgical Congress 2022**  
The College of Surgeons of Sri Lanka  
PRE CONGRESS WORKSHOP

**CERVICAL BLOCK DISSECTION**

Introduction to Cervical Block Dissection  
Live Demonstration of Modified Radical Cervical Block Dissection

**Date:** 12<sup>th</sup> November 2022  
**Time:** 9am - 1pm  
**Venue:** Rozzoli Auditorium, Apevick Hospital

Registration Fee: Consultants Rs. 2000, Trainees Rs. 1000  
Register now at: [www.surgeons.lk](http://www.surgeons.lk)

**Sri Lanka Surgical Congress 2022**  
The College of Surgeons of Sri Lanka  
Pre-Congress Workshop

**Live Laparoscopic Workshop & Panel Discussion**

**15<sup>th</sup> November 2022**  
9.00 a.m. - 3.00 p.m.

**Live Workshop:** 1. Heliars Cardiomyotomy, 2. Laparoscopic fundoplication

**Panel Discussion:** 1. gill anatomy and decision making, 2. Tips & Tricks of surgery, 3. Complications of surgery and how to tackle

**Resonance persons:** Prof. Ravindra Senarath, Dr. S. Fernando, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe, Dr. S. Jayasinghe

**The College of Surgeons of Sri Lanka - Annual Academic Sessions 2022**  
Pre Congress Workshop

**Multiorgan Retrieval Master Class**

**19<sup>th</sup> November 2022 - 8.00 am**

Organized by Central Chapter of College of Surgeons of Sri Lanka and Department of Surgery Faculty of Medicine University of Peradeniya

**Programme:** 8.00 - 8.30 am: Registration, 8.30 - 9.00 am: Introduction by Dr. S. Jayasinghe, 9.00 - 9.30 am: Lecture by Dr. S. Jayasinghe, 9.30 - 10.00 am: Lecture by Dr. S. Jayasinghe, 10.00 - 10.30 am: Lecture by Dr. S. Jayasinghe, 10.30 - 11.00 am: Lecture by Dr. S. Jayasinghe, 11.00 - 11.30 am: Lecture by Dr. S. Jayasinghe, 11.30 - 12.00 pm: Lunch, 12.00 - 12.30 pm: Case based discussion - interactive session, 12.30 - 1.00 pm: Afternoon session, 1.00 pm - 1.30 pm: Case based discussion - interactive session

**Sri Lanka Surgical Congress 2022**  
Pre Congress Workshop  
The College of Surgeons of Sri Lanka & Sri Lanka Association of Plastic, Reconstructive and Aesthetic Surgeons

**Soft tissue management in Trauma**  
19<sup>th</sup> November 2022

**7.30am - 8.00am:** Registration

**8.00am - 8.15am:** Introduction: Dr. Chaminda Disanayake

**8.15am - 8.30am:** Assessment of the injured patient - Dr. Kolitha Karunadasa

**8.30am - 8.45am:** Importance of proper wound debridement - Dr. Pragasah Shanmuganathan

**8.45am - 9.00am:** Skin Grafts - Dr. Yasa Abevickrama

**9.00am - 9.15am:** Flaps in Trauma Patients & Decision making - Dr. Chaminda Disanayake

**9.15am - 9.30am:** Microsurgical reconstruction & Perforator flaps in trauma - Dr. Kavinda Rajasinghe

**9.30am - 9.45am:** Soft tissue management in Pediatric trauma - Dr. Pragasah Shanmuganathan

**9.45am - 10.00am:** Wound healing - Dr. Pragasah Shanmuganathan

**10.00am - 10.15am:** Upper limb injuries - Dr. Thushan Ranasinghe

**10.15am - 10.30am:** Lower limb injuries - Dr. Pravin Wijesinghe

**10.30am - 10.45am:** Head and neck injuries - Dr. Gayan Rajasinghe

**10.45am - 11.00am:** Chest, abdomen and pelvis - Dr. Thilochana N.

**11.00am - 11.15am:** Recent advances in acute wound care management - Dr. Pragasah Shanmuganathan

**11.15am - 11.30am:** Soft tissue management in trauma patients - G. Kaushalya Dayanath & Saranya Jayasinghe

**11.30am - 11.45am:** Drawings - Dr. Kavinda Rajasinghe

**11.45am - 12.00pm:** Case management in trauma patients - G. Kaushalya Dayanath & Saranya Jayasinghe

**12.00pm - 1.00pm:** Lunch

**1.00pm - 1.15pm:** Afternoon session

**1.15pm - 1.30pm:** Case based discussion - interactive session

**SLSC '22** **HANDS ON PRE-CONGRESS WORKSHOP**  
**MANAGEMENT OF UPPER URINARY TRACT INJURIES**

Organized by the College of Surgeons of Sri Lanka in collaboration with the Faculty of Medical Sciences University of Sri Jayawardenepura

**On Saturday 19<sup>th</sup> November 2022**  
8.00 am to 2.30 pm

At Skills Lab university of Sri Jayawardenepura (Next to anatomy block)

**Target Groups:** Urology Senior registrars, Surgical / urology registrars & Senior registrars, Urology medical officers

**Faculty:** Dr. Manjula Herath, Dr. Nishantha Layanapathirana, Dr. Prabhath Pathirana, Dr. Ishan Jayasinghe, Dr. Muniyira Willarasachchi

**Contents:** Hands on training, Uretero-ureterostomy, Trans uretero - ureterostomy, Boari Flap Reconstruction, Theory topics including: Ileal conduit and ureteral substitution

**Course Coordinators:** Prof. Srinath Chandrasekera, Dr. Hilary Fernando - 070688882

REGISTRATION: [HTTP://WWW.SURGEONS.LK](http://www.surgeons.lk)

**Sri Lanka Surgical Congress 2022**  
The College of Surgeons of Sri Lanka  
Pre Congress Workshop **SLSC '22**

**Case-based discussion on Organ Transplantation**

**21<sup>st</sup> November 2022**  
from 8:30 am to 12:30 pm  
at the Auditorium,  
The College of Surgeons of Sri Lanka

Registration Fee: Rs. 2000/-  
Consultants: Rs. 2000/-  
Trainers: Rs. 1500/-  
Nursing Officers: Rs. 750/-

**SLSC '22** **Pre Congress**

**Advanced Laparoscopic Surgery Virtual Workshop**

Organized by Central Chapter of College of Surgeons of Sri Lanka in collaboration with Department of Surgery Faculty of Medicine, University of Peradeniya

**Date: Sunday 06<sup>th</sup> November, 2022**

Resource persons: The Association of Minimal Access Surgeons of India (AMASI)

**Thoraco-laparoscopic oesophagectomy**  
Prof. P. Senthilnathan

**Laparoscopic CBD exploration**  
Prof. S. Jugindra

Register now: Prof. Kalpeeth Jani - AMASI, Prof. Arinda Dharmapala - +94 774243987, Dr. Kesara Ratnasingha - +94 772233962

Closing date: **Nov 3<sup>rd</sup>**

Course fee: **LKR 2500**

**Hand Surgery Workshop**  
Sri Lanka Surgical Congress 2022  
The College of Surgeons of Sri Lanka  
Pre congress Workshop by Association of Plastic Surgeons of Sri Lanka  
Saturday 05<sup>th</sup> of November 2022

08.00 am - 08.20 am - Introduction

08.20 am - 08.40 am - Assessment of the injured hand - Dr. Kolitha K.

08.40 am - 09.00 am - Flexor tendon injuries - Dr. Amila S.

09.00 am - 09.20 am - Extensor tendon injuries - Dr. Elanchelva P.

09.20 am - 09.40 am - Nerve injuries - Dr. Amila R.

09.40 am - 10.00 am - Hand fractures and dislocations - Dr. Thilochana N.

10.00 am - 10.10 am - Tea

10.10 am - 10.30 am - Surgical exposure of the inj. hand - Dr. Damika D.

10.30 am - 10.50 am - Soft tissue cover in hand trauma - Dr. Thilochana N.

10.50 am - 11.10 am - Amputations and Replantation - Dr. Gayan E.

11.10 am - 11.30 am - Hand infection - Dr. Gayan E.

11.30 am - 11.50 am - Fingert injuries - Dr. Kavinda R.

11.50 am - 12.10 pm - Pediatric Hand Trauma - Dr. Arunajith A.

12.30 pm - 01.30 pm - Lunch

01.30 pm - 02.00 pm - Late reconstruction of the injured hand - Dr. Thushan B.

02.00 pm - 02.30 pm - Dressings for the injured hand - Dr. Kavinda R.

02.30 pm - 03.00 pm - Hand therapy - Occupational Therapy Team

03.00 pm - Case discussions - Dr. Pravin W.

- Dr Munipriya Willaraarachchi

## 7. Trainees' Night

**T**A Trainees' night was organized this year which was held on the 24th November, at following the end of the scientific programme. It was organized by the surgical trainees who are junior and senior affiliated members of the College, as a venture of fellowship

and connecting with the trainers and the foreign resource persons. It was a fun-filled night with the Sri Lanka Army Band providing music, where many trainers and trainees enjoyed singing and dancing together, forgetting their stresses and responsibilities.

## 8. The College Dinner

**T**he College Dinner this year was held on 25th November at the Grand Ball Room, Cinnamon

Grand, Colombo which was well attended by over 150 guests. Mementos were presented to the overseas guests.

## 9. Trade Exhibition

There was a concurrent trade exhibition by the industry during the SLSC'22. They were housed in two custom built marquees in the College premises. There were 41 trade stalls at

the exhibition. The commitment of the sponsors to Sri Lankan surgery is appreciated, for their generous support with a background of an economic crisis the country.

## 10. The Steering Committee

The Steering Committee played a key role in the organization of the Sri Lanka Surgical Congress 2022.

Dr Satish K Goonesinghe  
*President CSSL*

Dr Kavinda Rajapakse  
*Secretary CSSL*

Dr Gayan Ekanayake  
*Congress Co-Chair*

Dr Amila Jayasekera  
*Congress Co-Chair*

Professor Ajith Malalasekera  
*Academic Co-Chair*

Dr Ranga E Wickramarachchi  
*Academic Co-Chair*

Professor Rezni Cassim  
*Treasurer CSSL*

Dr Malik de Soysa

Dr Thushan Gooneratne

Dr Thathya de Silva

Professor Sanjeewa Seneviratne

Dr Rameendra Senaratne

Dr Nadeeja Samarasekera

Dr Kesara Ratnatunga

Dr Kirthi Rajapaksha

Dr Kirthi Abayajeewa

Dr Joel Arudchelvam

Dr Dakshitha Wickramasinghe

Dr Duminda Ariyaratne

Dr Oshan Basnayake

Dr N D Masakorala

Dr D R Samarathunga

The Steering Committee was assisted by the College of Surgeons' Management Team:

Mr S A Dayananda  
*(Administrative Manager)*

Ms Amali Wijesooriya  
*(Asst. Manager Administration)*

Dr Chathusha S Wickramanayake  
*(Demonstrator)*

Mr Hirun Dilshan  
*(Administrative Assistant)*

&

Ms Sakura Nadeeshani Dayananda  
*(Congress Secretariat)*

## WOMEN IN SURGERY FORUM SRI LANKA (WINSF-SRI LANKA)

The Women in Surgery forum was newly introduced this year by female members of the College, represented in the Council by Dr Minoli Joseph.

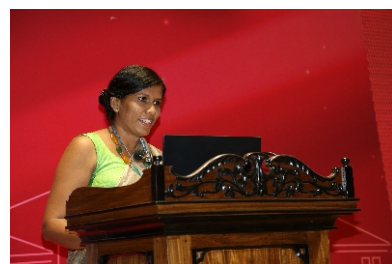

As stated, there is a recent surge in the proportion of females entering medical schools in Sri Lanka. In spite of this female preponderance at undergraduate level, there is gross under-representation of females in the surgical specialties. This is indeed a global phenomenon, with the ratio of male to female surgeons being as high as 8:1 in the United Kingdom. However, in Sri Lanka the situation is very different and the proportion of female surgeons is much less.

There could be many factors, some real and others imagined, that dissuade females from embarking on a career in surgery. Enabling more females to enter the surgical specialties will improve diversity and inclusivity in the surgical specialties.

Women in Surgery Forum will provide a platform to identify, discuss and overcome specific challenges faced by women in surgery. It will also encourage, enable and inspire trainees and early career female surgeons to fulfill their surgical ambitions. WINSF Sri Lanka will initiate mentorship programmes for early career female surgeons to identify factors dissuading women from pursuing a career in surgery and encourage more females to pursue a career in surgery. It will also collaborate and network with international associations and colleges of

Surgery on issues related to women surgeons, in future for betterment of patient care.

The WINSF formally launched on 24th November 2022 at end of the Women in Surgery Symposium held within the SLSC'22 in the presence of two eminent international female surgeons – Ms Judy Evans (UK, representing the Royal College of Surgeons of Edinburgh) and Dr Udayangani Samarakkody (New-Zealand).

## ECONOMIC CRISIS AND ITS IMPACT ON SURGICAL CARE

Sri Lanka faced major economic crisis with a diminution of foreign exchange reserves in 2022 with power cuts, fuel shortages, transport crises and civilian protests.

### Interactions with authorities

The economic crisis has had a major impact on the surgical care services. The College forewarned the Ministry of Health regarding an impending crisis in the health sector in late March 2022. A discussion was held with the then State Minister of Pharmaceutical Production, Supply and Regulation on 1st April 2022 together with representatives of other Colleges.

An emergency online Council meeting was held on 3rd April 2022 focusing on the potential curtailment of routine surgical work to conserve surgical consumables and drugs and to identify essential consumables / medication that are required maintain acute / emergency / life-saving surgery. These requirements have been repeatedly conveyed to officials at all levels in the Ministry of Health. Subsequently, all the professional medical Colleges got together and held regular meetings with the authorities to overcome programmes. The College appraised the membership on the curtailment of surgery (restricted to trauma, emergencies and cancer procedures) and conservation of surgical consumables.

### Local and Overseas Donations

Many surgeons, individuals and organizations in Sri Lanka and abroad came forward to help and sustain Sri Lankan surgical services - with monetary and material donations. Overseas donations mainly came from the UK and India. Professor Srinath Chandrasekera initiated many donations from the UK, while Professor Ajith Malalasekera liaised with donors in India. The donations were stored in the College premises and equitably distributed. The College obtained approval from the Central Bank of Sri Lanka and opened a Special Foreign Currency Account with the Bank of Ceylon to receive overseas monetary donations with permission to remit received funds in an unrestricted fashion. The Sri Lanka Hepato-biliary Association (SLHPBA) received a major donation through the College. The College also became a part of an Inter-Collegiate Initiative that canvassed for funding for internationally. While we very much appreciate the efforts of our local and overseas benefactors, it must be emphasized that donations alone cannot address national level shortages except to bridge shortages temporarily. This calls for a national level programme initiated by authorities with focused policy decisions taken regularly.

# COLLEGE PROPERTY

## 1. The Noel & Nora Bartholomeusz Foundation

The College acquired an excellent infrastructure and a modern auditorium with excellent IT facilities with the Golden Jubilee refurbishments.

Many book launches, musical evenings and meetings have been held in the College Auditorium by individuals and organizations in 2022. However, the fuel crisis, power cuts and related problems have prevented renting of the auditorium as planned. With the easing up of restrictions, more enquiries are coming in, to use the auditorium and its facilities.

The holding of the *Sri Lanka Surgical Congress 2022* in its entirety - including a full trade exhibition (except the Dinner) was the major achievement in 2022.

### Renovation of the Noel & Nora Bartholomeusz Foundation

With the planned Congress and later expanded use of the premises for performances / meetings, an upgrade and renovations were done in the public

areas with new washrooms. A new pantry area and additional storage space were built. While preserving the open environment of the NNBF, gates with a design conforming to the design of the building were made to enhance security.

### The off grid solar power backup system

An off grid solar charging backup current supply system was installed to both the auditorium and the NNBF refurbished premises as a solution for the ongoing power crisis as well as to maintain an uninterrupted power supply during events at the premises. It has also helped to lower the monthly electricity tariff. Electricity generators are currently prohibitively expensive.

The College will need a high-capacity circuit breaker system when holding a large event such as a Surgical Congress when using mains current. This will need discussions with electricity authorities.

## 2. The SAARC Surgical Care Society Building, Rajagiriya

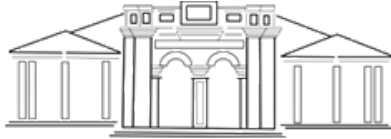

This property held by the College is the home of the headquarters of the SAARC Surgical Society representing surgeons of the South Asian region. A part of the premises has been

given on rent to the *Institute of Chemistry Ceylon* on a 2-year renewable agreement and this generates significant income to the College.

Although no major updates or upgrades were made in 2022, we have made the CSSL Digital business model to full use with the hiring of the fully facilitated Auditorium for

various functions. A separate form has been developed by the IT Subcommittee headed by Dr.Kavinda Rajapakse, with hiring charges and guidance.

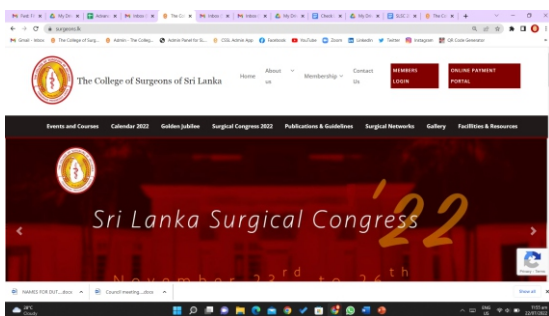

## 1. The College Website and the College App

The CSSL Website Remains the main digital footprint of the CSSL. Routine activity was maintained during 2022 as well.

The CSSL App was well utilized during the SLSC'22 with full functionality, carrying information on the congress such as the program, events and abstracts.

A new 'Surgical Congress' tab was added to the home page menu bar, to facilitate easy access to details pertaining to the annual academic sessions. This was active and running for SLSC 2022. The same tab will be used for the upcoming sessions as well.

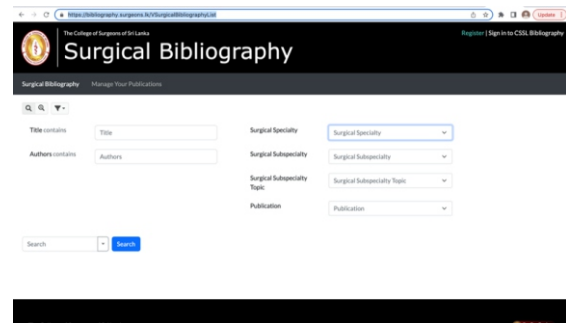

## 2. Digital Bibliography of Surgical Research

**A** Bibliography of Sri Lankan Surgical Research and related topics was a Jubilee publication of the CSSL, compiled and edited by Professor Channa Ratnatunga. The purpose of this volume was to compile a bibliography to facilitate and help researchers investigating topics related to surgery in Sri Lanka.

A digital version of this bibliography was developed with the intent of making the information more accessible. The project was led by Dr Kesara Ratnatunga, with

software development and digitisation done by Mr Anuradha Piyadasa and his team. It can be accessed via <https://bibliography.surgeons.lk> and is also linked to the CSSL website.

The digital bibliography is a fully indexed and searchable database. It has been designed to accommodate future entries with appropriate indexing and search functions.

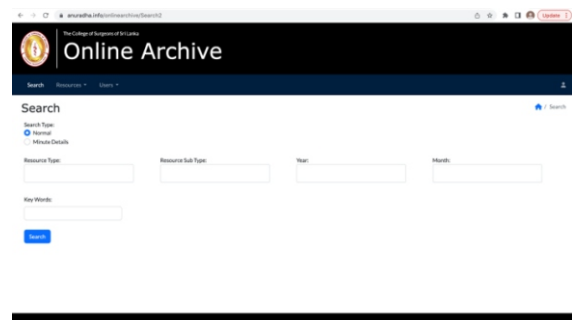

## 3. The Digital Archive of the CSSL

**T**he Digital Archive Project of the CSSL was initiated and commenced in 2022, with a view to digitise key records and documentation. The first phase of the project has been completed with the development of a custom-built cloud based software platform allowing searching, viewing and archiving of Council meeting and AGM minutes, dating back to 1989. This project was led by Dr Kesara Ratnatunga with software development by Mr Anuradha Piyadasa

and his team.

The system is based on an internet cloud-based platform, with ynsynchronised physical backups of the data on a hard drive system at the CSSL premises. The system allows a tiered access system, controlled by an overall administrator. The system is designed such that different categories of documents and images can be continually uploaded and integrated into the system.

# INTERNATIONAL RELATIONS

The College of Surgeons of Sri Lanka has developed an excellent relationship with sister Associations in the South Asian region, Australasia and the United Kingdom. The

CSSL also has excellent links with the International Society of Surgery (ISS).

## 1. The SAARC Surgical Care Society (The SAARC SCS)

This is a society that unifies surgeons of the South Asian region. The SAARC SCS was founded in Sri Lanka in 1996, during the CSSL Presidency of Professor APR Aluwihare. The organization has evolved to be a key grouping of surgeons. In 2022, two principal officers of the Society are from Sri Lanka – Professor MD Lamawansa (President) and Professor Bawantha Gamage (Secretary General).

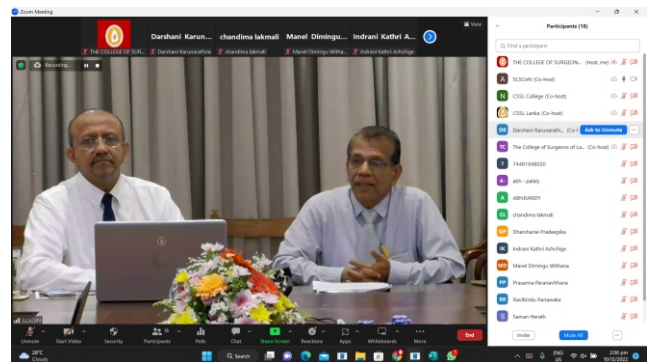

in the furtherance of relationships with the SAARC SCS and its members.

A South Asian delegation of surgeons from Pakistan, India, Nepal and Sri Lanka held a meeting at SAARC SCS head office, Rajagiriya in November 2022, during the Sri Lanka Surgical Congress 2022. There are regular SAARC SCS Executive Committee via online platforms.

The Sri Lanka Congress 2022 was held as a joint meeting with the SAARC SCS. President of the Association of Surgeons of India (ASI) Dr G Siddesh, President of the Society of Surgeons of Nepal, Professor Sunil Kumar Sharma attended and were part of the faculty of the SLSC'22 and they were conferred the Honorary Fellowship of the College. Professor Abdul Majid Chaudhry represented Pakistan.

Annual Sessions of the Sri Lanka Spinal Cord Network (SLSCoN) [Affiliated to the SAARC SCS] were held on 22nd November 2022 at the CSSL premises. It was a multi-disciplinary meeting focusing on doctors, physiotherapists, nurses and other health care personnel.

Dr Narendra Pinto (Past President CSSL and SAARC SCS) has played a pivotal role

## 2. Surgical Associations / Societies in Asian Countries

### India

A Sri Lankan delegation was invited to attend the Annual Meeting of the Association of Surgeons of India (ASI) held in Mumbai in December 2022. The delegation comprised of Dr Satish Goonesinghe (President CSSL), Professor MD Lamawansa, Dr Narendra Pinto, Professor Bawantha Gamage and Dr Dulantha De Silva. All members of the delegation were resource persons at the meeting. There was a special SAARC Symposium as well. The President CSSL was conferred an Honorary Fellowship of the Association of Surgeons of India at the Meeting.

### Pakistan

President CSSL and Professor Srinath Chandrasekera (Immediate Past President CSSL) were invited to visit Pakistan in February 2022. They addressed a Surgical Oncology Meeting in Faisalabad and made connections with the surgeons of Pakistan. They also delivered lectures in at medical schools in Lahore, Abbotabad and Saidu Sharif.

### Malaysia

The CSSL signed a memorandum understanding with the College of Surgeons of Malaysia during the Golden Jubilee Congress in 2021. However, with the restrictions related to the economic crisis, no exchanges happened between the two Colleges in 2022.

## 3. The Royal College of Surgeons of Edinburgh

The close relationship between the CSSL and the Royal College of Surgeons of Edinburgh (RCSEd) runs back for over 40 years. In 1981, the then President of the RCSEd, Professor John Gillingham presented a mace to the CSSL. The CSSL signed a memorandum of understanding with the RCSEd in 2011 and it was renewed in 2021.

The Sri Lanka Surgical Congress 2022 was held as a joint meeting with the RCSEd. Professor Rowan W Parks, the

President RCSEd, Professor Mike Griffin, Immediate Past President RCSEd and Ms Judy Evans represented the Edinburgh College with key contributions.

The RCSEd has planned to use Colombo as a regional examination hub for its Intercollegiate MRCS OSCEs from 2023. The first diet of this examination will be held in September 2023. They intend to hold upto 3 examination diets each year later.

Preliminary site visits and planning were done by the RCSEd team and an examiner training course was held in November 2022. The preliminary discussions on these examination arrangements were held between the RCSEd and the President CSSL in June 2022 in Edinburgh.

Further discussions were held between the two Colleges in November regarding the MRCS examinations and other areas of cooperation. It was decided to periodically invite examiners from the RCSEd for the local MD(Surgery) examinations as well.

Dr Satish K Goonesinghe - President

CSSL, Dr Nissanka Jayawardena and Jayaindra Fernando (both Past Presidents CSSL) represented the CSSL the Triennial Meeting of the RCSEd held in Edinburgh in May 2022. The RCSEd honoured Dr Jayaindra Fernando with an ad hominem Fellowship of the RCSEd (FRCSEd) for his dedicated work to enhance relationships between the two Colleges. Medical Council in the UK.

A course for examiners of the intercollegiate MRCS examination was held in Colombo in November 2022. The course was conducted by Ms Judy Evans, Prof Rowan W Parks and Prof Mike Griffin from the RCS Edinburgh

#### 4. The Royal College of Physicians and Surgeons of Glasgow

The CSSL and the Royal College of Physicians and Surgeons of Glasgow (RCPSG) has had a close relationship with an excellent academic partnership. Assessors from the RCPSG have been evaluating the MD(Surgery) Examination conducted by the Postgraduate Institute of Medicine,

University of Colombo. The RCPSG confers MRCSGlas without examination to trainees who obtain MD(Surgery)(Colombo) considering the high standards maintained locally. This has enabled Sri Lankan surgical trainees obtain registration of the General Medical Council in the UK.

## LOCAL RELATIONS

### 1. Ministry of Health

**D**uring the year 2022, the College enjoyed a healthy relationship with the Ministry of Health (MoH). The College involvement with the Ministry was a two-way process, and we believe that both parties mutually benefitted.

The MoH provided opportunities for the College of Surgeons to engage in several academic activities. Including the Pre-intern Training Programme and the Post-intern Training Programme.

The MoH extended their full corporation when the Ministry rolled out its roadmap for trauma prevention. The CSSL wish to acknowledge the contribution of its membership. With. The severe economic hardships faced by the country in 2022 with shortages of surgical consumables in the health sector, the College actively paid a role, deploying an action plan. The

College advocated the conservation of valuable surgical consumables by scaling down services without adversely affecting emergency and urgent surgical needs of the country. The crisis was in fact resembled a “disaster” situation and a roadmap was presented to the MoH to follow a recovery plan. The College played a key role in promoting self-discipline, contingency planning and holding together the major healthcare needs of the entire state health sector. Dr Gayan Ekanayake, in consultation with College Council, represented the CSSL in interactions with the MoH.

The College persevered and firmly stood by its nominee to the Board of the National Medicines Regulatory Authority (NMRA) despite numerous attempts made to get its nomination retracted.

### 2. Other Professional Colleges

**T**he CSSL played an active role in the Intercollegiate Committee set up to address the crises in the health sector that occurred with economic downturn of 2022. The Intercollegiate Committee met regularly and advised the MoH on relief measures, rationalization and prioritization.

In 2022, the Ceylon College of Physicians (CCP) arranged a series of lectures by non-physicians representing other Colleges – the initiative was called *Collegia unitum scientia* (Colleges United in Science). Dr Satish Goonesinghe, CSSL President was invited to deliver the first lecture in this series in January 2022. Professor Arosha Dissanayake, the

President CCP was invited to deliver a *Collegia unitum scientia* lecture on medical humanities at the Sri Lanka Surgical Congress 2022, and his widely appreciated lecture was titled “The tenderest cut: Humanities and the Surgeon”

### 3. Postgraduate Institute of Medicine (PGIM), University of Colombo

The College has been working closely with the PGIM all the time to facilitate and uplift postgraduate training in Surgical specialties in Sri Lanka. Despite the fuel shortage and travel restrictions, many College members continued to engage in PGIM examinations MD(Surgery) Selection Examination and MD(Surgery) Examination. Invariably almost all members of the Board of Study in Surgery of the PGIM, surgical trainers and examiners are members of the College and so are the surgical trainees of all levels. Professor ND Samarasekera, the chairman of the Board of Study is the

President Elect (2022) of the CSSL.

The College was represented in the Board of Study by Dr Satish Goonesinghe (representing the Health Department) and Professor Srinath Chandrasekera (representing Universities). In addition, College members form an integral part of the Board of Study in Orthopaedics and Surgical sub-specialty Boards of Study.

## CSSL CHAPTER ACTIVITIES

Activities of the Chapters of the College were restricted due to the fuel shortage and related issues during 2022. Like the year before, many academic and training activities were limited to online programmes, and ones which were held physically were limited to local participants and resource persons.

All the chapter members of existing 08 chapters were connected forming WhatsApp groups. This enabled fast communication and information distribution into the members with quick access from their mobile phones.

A new Western Chapter was also formed incorporating members in Hospitals in Colombo, Katutura and Gampaha as well as the KDU Hospital, the Army hospital,

the Navy Hospital and the Air-Force Hospital.

The College President made visits to Kuliyaipitiya and Jaffna to deliver the opening speech of NTMC program and as the Orator of Dr M Ganesaratnam Memorial Oration respectively.

Other academic activities organized by the chapters are listed as follows.

Date	Topic	Chapter	Venue
10 <sup>th</sup> February	Initial management of trauma patients of The Kurunegala Clinical Society	Wayamba	TH Kurunegala
22 <sup>nd</sup> February	Multi center Hands on Laparoscopic Cholecystectomy Workshop	Central	Dept of Surgery, Faculty of Medicine, University of Peradeniya
22 <sup>nd</sup> March	Hands on Workshop on Bowel stapling & laparoscopic suturing	Central	Dept of Surgery, Faculty of Medicine, University of Peradeniya
8 <sup>th</sup> , 14 <sup>th</sup> , 21 <sup>st</sup> and 29 <sup>th</sup> May	Essential Radiology for Surgeons	Central	Dept of Radiology, Faculty of Medicine, University of Peradeniya
25 <sup>th</sup> June	Safe use of diathermy -Hands on workshop	Central	Teaching Hospital, Peradeniya
4 <sup>th</sup> August	Webinar on Principles & safe use of diathermy	Central	Zoom Online
20 <sup>th</sup> , 27 <sup>th</sup> August 10 <sup>th</sup> September	Pelvic MRI for Surgeons	Central	Dept of Surgery & Dept of Radiology, Faculty of Medicine, University of Peradeniya

# FELLOWSHIPS

## 1. Honorary Fellowships

**E**ight honorary fellowships were awarded to the following, at the Inauguration Ceremony of the Sri Lanka Surgical Congress 2022 in recognition with their outstanding services to the surgical fraternity.

**Professor Christopher  
Reginald Chapple**  
*Emeritus Consultant Urological  
Surgeon  
Secretary General, European  
Association of Urology*

**Professor Abhay Rane**  
*Consultant Urological Surgeon  
Vice President (Surgical), The Royal  
College of Physicians and Surgeons of  
Glasgow*

**Professor Rowan Wesley  
Parks**  
*Honorary Consultant Hepatobiliary  
and Pancreatic Surgeon  
President, The Royal College of  
Surgeons of Edinburgh*

**Dr G Siddesh**  
*Consultant Endoscopist and  
Laparoscopic Surgeon  
President, The Association of  
Surgeons of India*

**Dr Sunil K Sharma Dhakal**  
*Consultant Gastrointestinal and  
Laparoscopic Surgeon  
President, Society of Surgeons of  
Nepal*

**Professor Srinath Kumara  
Chandrasekera**  
*Consultant Urological Surgeon  
Immediate Past President, The College  
of Surgeons of Sri Lanka*

**Professor Morapitiya Hewa  
Jayantha Ariyaratne**  
*Professor in Surgery*

**Dr Siriwardana Sitanange  
Jayaratne**  
*Consultant General Surgeon*

## 2. College Fellowships

The College fellowships for the year 2022, were awarded on the 17th of December 2022, to eighteen senior surgeons.

- Dr Ekanayake Mudiyanse Udagadara  
Janaka Bandara Ekanayake
- Dr Naullage Ranga Priyankara Perera
- Dr Thanabalasingam Suvethanan
- Dr Keerthi Rajapaksha
- Dr Sembukutti Arachchige Don Viraj

# PUBLICATIONS

## 1. Sri Lanka Journal Of Surgery; The College Journal

Four issues of the *Sri Lanka Journal of Surgery*, the official journal of the College of surgeons of Sri Lanka were issued in March, July & November.

The Journal published a supplement in November 2022, containing abstracts of the papers presented at the Sri Lanka Surgical Congress 2022. The Editorial Team led by Professor Ajith Malalasekera.

## 2. Suture; Newsletter

Suture newsletter celebrated another successful year with three issues covering a wide area of news items. The newsletter is one of the platforms where the college communicate with his membership.

This year it contained focused articles, highlighting past surgeons, leisure activities for surgeons, as well as Information on the annual academic sessions. Dr Gayan Ekanayake & Dr Dulantha de Silva lead the editorial team, assisted by Mr Ajith Jayamanne in type setting.

Suture newsletter, editorial team wishes to thank the contributors for sending their valuable insight and important topics they wanted to highlight.

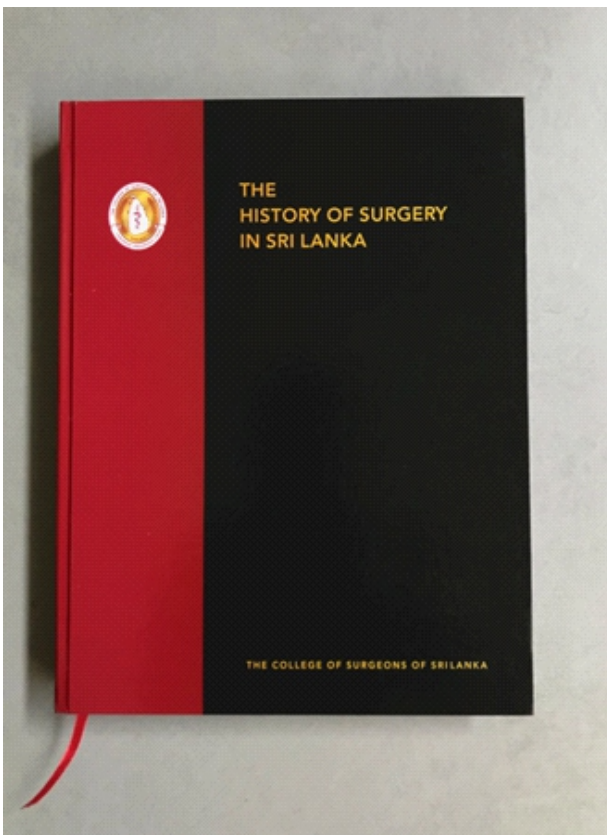

### 3. The History of Surgery in Sri Lanka Book

**T**he *History of Surgery in Sri Lanka* is a comprehensive account of the development of surgical services in this country. Compiled by Professor Channa Ratnatunga, *Emeritus* Professor of Surgery, Faculty of Medicine, University of Peradeniya, it has contributions from 34 eminent authors including surgeons and historians. This 560 page hard cover volume launched in 2021 as part of the Jubilee year

celebrations, but due to logistical and financial hurdles resultant from the economic crisis, the actual print and distribution was delayed to 2022.

The volume printed by Balin Printers (pvt) Ltd, Kandy, was first made available at the SLSC'22 conference. It is priced at LKR 7500 and available for sale at the CSSL office.

## Acknowledgement

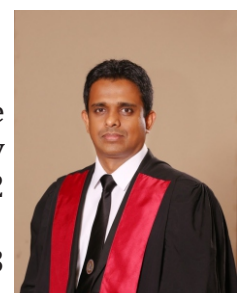

The year 2021 was made a successful year with the untiring dedicated work of the dynamic college team. I wish to thank on behalf of the President & the Council, Mr Samarappuli Arachchige Dayananda - Manager Administration, Ms Amali Iresha Wijesooriya - Assistant Manager

Administration, Dr Chathusha Wickramanayake - Demonstrator and Mr Hirun Dilshan - Administrative Assistant. Supporting staff Mrs Ajantha and the Security personnel for keeping the premises clean and secured through out the year.

Dr Kavinda Rajapakse  
Honorary Secretary  
The College of Surgeons of Sri Lanka 2022

17/03/2023

## HONORARY TREASURER'S REPORT - 2022

**F**inancial year 2022 was stable for the College of Surgeons of Sri Lanka. The total assets increased from Rs. 201.15 million in 2021 to Rs. 206.52 million in 2022. Out of the Rs. 206.52 million, Rs. 106.45 million are non-current assets. Independence Avenue property which is owned by the College is not included under assets in the balance sheet.

The net income over the expenditure is Rs. 15.84 million before tax. The total disallowable expenses (depreciation/surcharges) are Rs. 20.56 million rupees. The taxable business profit for year 2022/2023 is Rs. 17.56 million rupees.

The main contributors to the annual income are, income from the annual sessions Rs. 29.9 million, rental from Rajagiriya property Rs. 3.8 million, hall hiring Rs. 1.3 million, MRCS Glasgow Rs. 21.77 million, NTMC Course Rs. 5.11 million, ATLS Rs. 5.95 million & Other courses contributed Rs. 0.39 million.

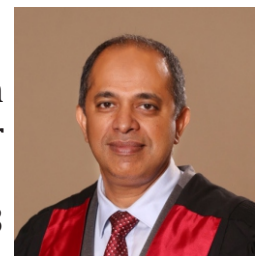

The total administrative and establishment expenditure was Rs. 22.398 million with the items of expenditure being staff salaries

including EPF / ETF, electricity and water, security expenses, building repairs and depreciation.

I am grateful for the guidance, cooperation and support extended by our President Dr Satish K Goonesinghe, council and the membership of the CSSL. The contribution by Mr S A Dayananda, Ms Amali and the office staff was invaluable and highly appreciated. We are grateful to D H P Munaweera & Co, our auditors.

Professor Rezni Cassim  
Honorary Treasurer

## **REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF THE COLLEGE OF SURGEONS OF SRI LANKA**

---

We have audited the Financial Statements of The College of Surgeons of Sri Lanka, which comprise the Statement of Financial Position as at 31<sup>st</sup> December 2022 and the Statement of Profit or Loss and other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and Notes to the Financial Statements, including a Summary of Significant Accounting Policies.

### **Basis for Opinion**

We conducted our audit in accordance with Sri Lanka Auditing Standard (SLAuS) for the Audits of Non - Specified Business Enterprises (NonSBEs), which require that we plan and perform the audit to obtain reasonable assurance about whether the said Financial Statements are free of material misstatements. An Audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the said Financial Statements, assessing the Accounting Principles used and significant estimates made by the management, evaluating the overall presentation of the Financial Statements, and determining whether the said Financial Statements are prepared and presented in accordance with the Sri Lanka Accounting Standard for Small and Medium-sized Entities (SLFRS for SMEs). We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit. We therefore believe that our audit provides a reasonable basis for our opinion.

### **Opinion**

In our opinion, the accompanying Financial Statements give a true and fair view of, or present fairly, in all material respects the Financial Position of the Entity as at 31<sup>st</sup> December 2022 and of its financial performance and its Cash Flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-sized Entities (SLFRS for SMEs).

### **Respective Responsibilities of Management and Auditors**

The Management is responsible for maintaining proper accounting records, preparing and presenting these Financial Statements in accordance with the Sri Lanka Accounting Standard for Small and Medium-sized Entities (SLFRS for SMEs). Our responsibility is to express an opinion on these Financial Statements, based on our Audit.

### **Report on Other Legal and Regulatory Requirements**

As required by Section 163 (2) of the Companies Act No. 07 of 2007, and as far as appears from our examination, proper accounting records have been kept by the Company.

The Accounting Policies and Notes on Pages 6 through 29 form an integral part of the Financial Statements

**THE COLLEGE OF SURGEONS OF SRI LANKA**  
**NO.06, INDEPENDENCE AVENUE, COLOMBO 07.**  
**NOTES TO THE FINANCIAL STATEMENTS**

**1 CORPORATE INFORMATION**

**1.1 General**

The College of Surgeons of Sri Lanka was incorporated and domiciled in Sri Lanka on 24th October 2008 as an Association limited by guarantee. The registered office is situated at No.06, Independence Avenue Colombo 07.

**1.2 Principal Activities & Nature of Operations**

The other principal activities of the Association are:

- Advancement of the science and art of surgery
- To promote post - graduate education in surgery
- To monitor and maintain standards of excellence in surgical care
- Prevention of surgical morbidity
- To promote contact and fellowship among those engaged in the practice and advancement of surgery

**2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**2.1 Basis of Preparation**

The Financial Statements of the College have been prepared on a historical cost basis, except for Derivative Financial Instruments, Financial Assets and Liabilities which have been measured at fair value.

**2.2 Statement of Compliance**

The Financial Statements of the College have been prepared in accordance with Sri Lanka Accounting Standards for Small and Medium-sized Entities ("SLFRS" for SMEs) as issued by the Institute of Chartered Accountants of Sri Lanka.

**2.3 Significant Accounting Judgements, Estimates and Assumptions**

In the process of applying the College's accounting policies, management has exercised judgement and estimates in determining the amounts recognized in the Financial Statements. Use of available information, estimates and assumptions and application of judgement is inherent in the preparation of the Financial Statements as they affect the application of accounting policies and the recorded amounts in the Financial Statements.

The College believes its estimates including the valuation of assets and liabilities are appropriate. Estimates and underlying assumptions are reviewed on a continuous basis. However the actual results may differ from those estimates. The most significant uses of judgements and estimates are as follows:

**THE COLLEGE OF SURGEONS OF SRI LANKA**  
**NO.06, INDEPENDENCE AVENUE, COLOMBO 07.**  
**NOTES TO THE FINANCIAL STATEMENTS**

**2.3.1 Judgements**

**Taxation**

The College is subject to income tax and other taxes. The liability to Taxation has been computed in accordance with the provisions of the Inland Revenue Act No.24 of 2017 and the amendments thereto.

The College recognized assets and liabilities for current, deferred and other taxes based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recorded, such differences will impact the income and deferred tax amounts in the period in which the determination is made.

**2.3.2 Estimates & Assumptions**

**Going Concern**

The Council has made an assessment on the College's ability to continue as a going concern and is satisfied that it has the resources to continue in operation for the foreseeable future. Furthermore, management is not aware of any material uncertainties that may cast significant doubt upon the College's ability to continue as a going concern. Therefore, the Financial Statements continue to be prepared on the going concern basis.

**Fair Value of Financial Instruments**

Where the fair values of financial assets and financial liabilities recorded in the Statement of Financial Position cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of mathematical models. The inputs to these models are derived from observable market data where possible, but if this is not available, judgement is required establishing fair values.

**2.4 Foreign Currency Translation**

The Financial Statements are presented in Sri Lankan Rupees (Rs.) which is the College's functional and presentation currency.

Transactions in foreign currencies are initially recorded at the spot middle rate of exchange ruling at the date of the transaction

Monetary assets and liabilities denominated in foreign currencies are retranslated at the spot middle rate of exchange at the reporting date. All differences arising on non-trading activities are taken to 'Other Operating Income' in the Income Statement. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the spot exchange rates as at the date of recognition.

**THE COLLEGE OF SURGEONS OF SRI LANKA**  
**NO.06, INDEPENDENCE AVENUE, COLOMBO 07.**  
**NOTES TO THE FINANCIAL STATEMENTS**

**2.5 Financial Instruments**

**2.5.1 Financial Assets**

The College determines the classification of its Financial Assets at initial recognition as per the scope of Section 11 & 12 of Sri Lanka Accounting Standard for SMEs (SLFRS for SMEs).

All Financial Assets are recognized initially at fair value plus, in the case of assets not at fair value through Profit or Loss, directly attributable transaction costs.

The College initially recognizes loans and receivables and deposits on the date that they are originated. All other Financial Assets (including assets designated at fair value through Profit or Loss) are recognized initially on the trade date at which The College becomes a party to the contractual provisions of the instrument.

The College derecognizes a Financial Asset when the contractual rights to the Cash Flows from the asset expires, or it transfers the rights to receive the contractual Cash Flows on the Financial Asset in a transaction in which substantially all the risks and rewards of ownership of the Financial Asset is transferred. Any interest in transferred Financial Assets that is created or retained by The College is recognized as a separate asset or liability.

Financial Assets and Liabilities are off-set and the net amount is presented in the Statement of Financial Position when and only when, The College has a legal right to off-set the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

The Financial Assets of The College include cash and short term investments and trade and other receivables.

**2.5.2 Impairment of Financial Assets**

The College assesses at each reporting date whether there is any objective evidence that a Financial Asset or a group of Financial Assets is impaired and if such impairment has occurred, that amount of impairment is calculated by taking the difference between the assets carrying amount and the present value of estimated future Cash Flow.

**2.6 Property, Plant & Equipment**

Property, Plant and Equipment are stated at cost excluding the costs of day-to-day servicing, less accumulated depreciation and accumulated impairment in value. Changes in the expected useful life are accounted for by changing the amortization period or method, as appropriate, and treated as changes in accounting estimates.

The College reviews its assets' residual values, useful lives and method of depreciation at each reporting date. Judgement by the management is exercised in the estimation of these values, rates, methods and hence they are subject to uncertainty.

**THE COLLEGE OF SURGEONS OF SRI LANKA**  
**NO.06, INDEPENDENCE AVENUE, COLOMBO 07.**  
**NOTES TO THE FINANCIAL STATEMENTS**

Depreciation on other Property, Plant & Equipment have been provided on the reducing balance method so as to write-down the cost of Property, Plant & Equipment to their residual values over their estimated useful lives from the time the asset is placed in use. Lands are not depreciated. Depreciation rates are as follows:

Furniture & Fittings	20%
Office Equipment	20%
Computers	20%
Air-Condition	20%
Buildings	5%
Curtains & Carpets	25%
D-Freezer	20%
Intangible Assets	20%

Leasehold Properties and Improvements are amortized over the lease period  
This lease is for 30 years, the Lessor being the Urban Development Authority. This asset is amortized equally over the period of lease.

Property, Plant and Equipment are derecognized on disposal or when no future economic benefits are expected from its use. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in 'Other Operating Income' or 'Other Operating Expenses' as appropriate in the Income Statement in the year the asset is de-recognized.

**2.7 Investment property**

The property which is not occupied by the College and held to earn rental income are classified as investment property. Investment property is carried at Cost less Accumulated Depreciation.

**2.8 Inventories**

Inventories are valued at lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and selling expenses. Cost is determined using the first-in, first-out (FIFO) method.

At each reporting date, inventories are assessed for impairment. If inventory is impaired, the carrying amount is reduced to its selling price less costs to complete and sell; the impairment loss is recognized immediately in Profit or Loss.

**2.9 Liabilities & Provisions**

Liabilities classified as current liabilities on the Statement of Financial Position are those which fall due for payment on demand or within one year from the reporting date. Non-current Liabilities are those balances that fall due for payment after one year from the reporting date.

All known liabilities have been accounted for in preparing these Financial Statements. Provisions and Liabilities are recognized when The College has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation.

**THE COLLEGE OF SURGEONS OF SRI LANKA**  
**NO.06, INDEPENDENCE AVENUE, COLOMBO 07.**  
**NOTES TO THE FINANCIAL STATEMENTS**

**2.9.1 Employee Benefit Liabilities**

**2.9.1.1 Defined Benefit Plan - Gratuity**

The College is liable to pay gratuity in terms of the Payment of Gratuity Act No. 12 of 1983.

However, according to the payment of Gratuity Act No. 12 of 1983, the liability only arises upon completion of five (5) years of continued service. The gratuity liability is not externally funded nor actuarially valued.

**2.9.1.2 Defined Contribution Plans - Employees' Provident Fund and Employees' Trust Fund**

Employees are eligible for Employees' Provident Fund and Employees' Trust Fund contributions in line with respective statutes and regulations.

**2.9.2 Provisions**

Provisions are recognized when the College has a present obligation (legal or constructive) as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to any provision is presented in the Income Statement net of any reimbursement.

**2.9.3 Trade & Other Payables**

Trade Payables are recognized initially at the transaction price and subsequently measured at amortized cost using the effective interest method.

**2.10 Taxes**

**2.10.1 Current Tax**

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the reporting date.

**2.10.2 Deferred Tax**

Deferred tax is provided on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax liabilities are recognized for all taxable temporary differences, except where deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither the accounting profit nor taxable profit or loss. In respect of taxable temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

**THE COLLEGE OF SURGEONS OF SRI LANKA**  
**NO.06, INDEPENDENCE AVENUE, COLOMBO 07.**  
**NOTES TO THE FINANCIAL STATEMENTS**

Deferred tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized except where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; or in respect of deductible temporary differences associated with investments in subsidiaries, deferred tax assets are recognized only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred Tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable Entity and the same taxation authority.

**2.11 Borrowing Costs**

All Borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that The Collage incurs in connection with the borrowing of funds.

**2.12 Capital Commitments & Contingent Liabilities**

Contingent liabilities are possible obligations whose existence will be confirmed only by uncertain future events or present obligations where the transfer of economic benefits is not probable or cannot be reliably measured. Capital commitments and contingent liabilities of the Collage are disclosed in the respective notes to the Financial Statements.

**2.13 Cash & Cash Equivalents**

Cash and cash equivalents include cash on hand, demand deposits and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

**2.14 Statement of Comprehensive Income**

**2.14.1 Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to The Collage and the revenue and associated costs incurred or to be incurred can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

**THE COLLEGE OF SURGEONS OF SRI LANKA**  
**NO.06, INDEPENDENCE AVENUE, COLOMBO 07.**  
**NOTES TO THE FINANCIAL STATEMENTS**

**2.14.1. (a) Interest Income and Donations**

Interest income is recognized using the effective interest method. Donation is recognized on Cash basis.

**2.14.1. (b) Rental Income**

Rental income from investment property that is leased to a third party under an operating lease is recognized in the statement of comprehensive income on a straight-line basis over the lease term and is included in 'other income'.

**2.14.1 (c) Others**

Gains and losses of a revenue nature on the disposal of Property, Plant & Equipment and other non-current assets including investments are recognized by comparing the net sales proceeds with the carrying amount of the corresponding asset and are recognized net within 'other income' in Profit and Loss.

**2.14.2 Expenditure Recognition**

Expenses are recognized in profit or loss on the basis of a direct association between the costs incurred and the earning of specific items of income. All expenditure incurred in the running of the business and in maintaining the Property, Plant & Equipment in a state of efficiency has been charged to income in arriving at the profit for the year. For the purpose of presentation of Statement of Comprehensive Income the Directors are of the opinion that 'function of expenses method' presents fairly the elements of the Collage's performance, and hence such presentation method is adopted.

**2.15 Related Party Transactions**

Disclosure is made in respect of transactions in which one party has the ability to control or exercise significant influence over the financial and operating policies, decision of the other irrespective of whether a price is being charged.

**2.16 Events after the Reporting Date**

All material events occurring after the reporting date have been considered and where necessary adjustments have been made to the Financial Statements.

**2.17 Cash Flow Statement**

The Cash Flow Statement has been prepared using the indirect method.

**2.18 Comparative Information**

Comparative information including quantitative, narrative and descriptive information is disclosed in respect of the previous period for all amounts reported in the Financial Statements in order to enhance the understanding of the Financial Statements of the current period and to improve the inter- period comparability. The Accounting Policies set out above have been applied consistently to all periods presented in these Financial Statements. When the presentation or classification of items in the Financial Statements have been amended, comparative amounts have also been reclassified to conform with the current year in order to provide a better presentation.
