

## **CENTRAL CHAPTER MEETING-2024.07.31**

**On July 31, 2024, the Central Chapter of the College of Surgeons of Sri Lanka hosted a key regional meeting for surgeons at Kandyan Arts. This notable event attracted participants from various hospitals throughout the Central Province, creating an opportunity for collaboration and addressing specific regional challenges within the surgical field.**

**The gathering was highlighted by the presence of the President and Secretary of the College of Surgeons of Sri Lanka, whose attendance added significant value by offering expert perspectives and underscoring the importance of regional involvement and support for the surgical community.**

**The discussions at the meeting were engaging and fruitful, with surgeons exchanging insights on their experiences, obstacles, and potential solutions aimed at enhancing the quality of surgical care in the area. Major topics of focus included the, Sri Lankan surgical congress 2024, allocation of resources, training programs, and the need for improved facilities and support for rural healthcare centers.**

**The event concluded with a fellowship and dinner, providing an excellent opportunity for informal networking. This social aspect helped to reinforce professional connections and highlighted the spirit of camaraderie and cooperation among the surgeons of the Central Province.**

**The meeting on July 31 was a great success, setting the stage for ongoing dialogue and collaboration among surgeons in the region. It reaffirmed the College of Surgeons of Sri Lanka's dedication to advancing and supporting surgical practice across the country, with a special focus on underserved areas.**

**We look forward to more opportunities to unite the surgical community, share expertise, address challenges, and celebrate the collective achievements of our profession.**
