

Overnight Excursion 1 - Yala National Park Safari and Galle Fort City Tour - 1N/2D

DAY 1: Depart Colombo (8am) and travel (4 hrs.) to the southern jungles of Yala.

After lunch at your hotel, proceed on an afternoon jeep safari (3-6 pm) at Yala National Park.

Yala National Park is the islands most popular and second largest national park affords visitors the opportunity to sight Sri Lanka's broad variety of wildlife; colorful painted storks, sun bathing crocs, lovely fantail peacocks, massive wild buffalos, playful monkeys, majestic elephants, fluffy Sri Lankan sloth bears, a variety of colorful and interesting birdlife and the star attraction; the elusive Sri Lankan leopard. Yala has the highest density of leopards in the world! Nothing is guaranteed when it comes to wildlife, but a glimpse of a leopard at Yala is a decent possibility, given the large number of leopards that roam these territories.

Return to your hotel following your safari. Dinner and overnight stay.

Accommodation: Jungle Chalet at [Cinnamon Wild Yala](#)
Meals: Lunch, dinner

DAY 2: Optional morning safari (6-9am)

After breakfast in Yala, travel (1 ½ hrs.) to explore the Galle Fort City

Galle, the city, is the largest and busiest in southern Sri Lanka. Tucked away in a corner sticking out into the ocean is the old Galle Fort City, fortified by a fort, where time has surely slowed down. This UNESCO World heritage site was built in 1600's by the Portuguese followed by an extensive fortification by the Dutch. You will discover that the fort ramparts are well-preserved along with a lighthouse, clock tower, houses, churches and buildings, built by the Dutch and Portuguese. Many of these buildings now host chic restaurants, private villas, boutiques and guesthouses, without compromising on the authenticity of the fort. The fort is best and easiest explored on foot.

Enjoy lunch at a family run restaurant inside the fort.

Travel (2 hrs.) back to Colombo, in the evening.

Meals: Breakfast, lunch
