

Sabaragamuwa Chapter Meeting-2024.06.11

Sabaragamuwa Province Hosts Collaborative Surgeons' Meeting

On the 12 th of June, 2024, the Sabaragamuwa Chapter of College of Surgeons of Sri Lanka organized their regional meeting for surgeons at the Ratnapura Rest House, Ratanapura drawing participation from various hospitals including TH Ratnapura, BH Balangoda, BH Kahawatta, DGH Embilipitiya and Sabaragamuwa medical faculty.

This event marked a notable gathering, fostering collaboration and addressing regional concerns among the surgical community.

The meeting witnessed the esteemed presence of the President and the Secretary of the College of Surgeons of Sri Lanka, who represented the college and provided their valuable insights and guidance. Their participation underscored the importance of regional engagement and support for the surgical fraternity.

The discussions during the meeting were robust and productive. Surgeons from the area shared their experiences, challenges, and solutions, aiming to enhance the quality of surgical care in the region. Key concerns included resource allocation, training opportunities, and the need for improved facilities and support for rural hospitals.

And also had a lengthy discussion on injury prevention and agreed to start a community awareness programme in future Following the formal discussions, attendees were treated to a fellowship and dinner, which provided an excellent opportunity for informal networking. The dinner not only strengthened professional bonds but also highlighted the spirit of unity and collaboration among the surgeons of Sabaragamuwa province.

The Sabaragamuwa Chapter meeting on 12th June 2024 was a resounding success, paving the way for continued dialogue and cooperation among surgeons in the region. It reinforced the commitment of the College of Surgeons of Sri Lanka to support and uplift surgical practice across the country, especially in the more remote areas.

We look forward to more such engagements that bring together the surgical community to share knowledge, address challenges, and celebrate the spirit of collegiality.

Basic Surgical Skills Course for Surgical SHOs – Ratnapura- 2024.06.12

The SHO skill workshop was held in the auditorium of the Faculty of Medicine at Sabaragamuwa University and proved to be a great success. The program featured lectures supported by projectors, live demonstrations, and hands-on practical sessions. These sessions provided opportunities for participants to practice bowel anastomosis, vascular anastomosis, and tendon repair, with consultants offering individualized guidance. The event was attended by the College President, Secretary, and Coordinator Dr. Percy Dias.

The poster is a vertical rectangular graphic with a dark blue background and green circular accents. It features the logos of the Sabaragamuwa Chapter of the College of Surgeons of Sri Lanka and the Ratnapura Clinical Society. The text is centered and provides details about the course, including the date, time, location, and a list of hands-on training activities. Contact information for the coordinators and the registration fee are also provided. A QR code is located at the bottom right for registration.
